To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such.

⁴ Certain Debtors filed their voluntary petitions on May 14, 2020. Nothing in this Order shall impair the right of any party to rely on the actual date on which a Debtor filed its petition in calculating the amount of its claim(s) against such Debtor in these Cases.

D. Committee Formation. On May 27, 2020, the United States Trustee for the Eastern District of Virginia (the “U.S. Trustee”) appointed an official committee of unsecured creditors (the “Creditors’ Committee”) in these Cases pursuant to section 1102 of the Bankruptcy Code [Docket No. 193].

The Collateral Accounts are maintained as part of the Debtors' cash management system. As of the Petition Date, the total face value of all letters of credit that have been issued on behalf of the Debtors is approximately \$15 million. Pursuant to separate security and pledge agreements (the "LC Credit Agreements") by and between the Issuing Banks and certain of the Debtors, the letters of credit are secured by cash (the "LC Cash Collateral") in certain deposit accounts at the Issuing Banks (the "Collateral Accounts") as permitted under the applicable "Permitted Liens" provisions of the Prepetition Credit Agreement, Prepetition 9.50% First Lien Notes Indenture, and the Prepetition 8.00% First Lien Notes Indenture. As of the Petition Date, the Debtors had approximately \$18 million in Collateral Accounts at the Issuing Banks.

(x) Cash Collateral. All of the DIP Debtors' cash, including cash and other amounts on deposit or maintained in any account or accounts by the DIP Debtors, existing as of the Petition Date, and any amounts generated by the collection of accounts receivable or other disposition of the Prepetition Collateral, existing as of the Petition Date, and the proceeds of any of the foregoing, wherever located is the Prepetition Secured Parties' cash collateral within the meaning of section 363(a) of the Bankruptcy Code (the "Cash Collateral").

(xi) Rights Reserved. Notwithstanding anything to the contrary herein, the Debtors do not stipulate to the validity or enforceability of any claims for the payment of any so-called “make-whole” prepayment, applicable premium, or optional redemption premium provided by the Prepetition Secured Debt Documents, and all persons’ rights related thereto are expressly reserved. For the avoidance of doubt, nothing in this Final Order shall be deemed an admission or denial by the Debtors or any other party (x) as to the validity, extent or priority of any Prepetition Lien of the Prepetition Secured Parties on the C-Band Payments (or any right to receive the C-Band Payments) or (y) that the C-Band Payments (or any right to receive the C-Band Payments) constitute the Prepetition Collateral of the Prepetition Secured Parties, and all rights with respect to the foregoing are expressly reserved.

(xii) Participation Election Form: Rights Reserved. Neither the delivery of the Participation Election Form (as defined in Section 7.5 of the DIP Credit Agreement) nor the provisions of this Final Order or the DIP Credit Agreement (including, for the avoidance of doubt, any action required by Section 7.5 in the DIP Credit Agreement) shall, in any way, prejudice the right of any person to argue that any payments received under the FCC C-Band Rules are or are not the property of Intelsat Jackson or its Debtor subsidiaries (but instead the property of a parent company or other affiliate of Intelsat Jackson), and all persons’ rights related thereto are expressly reserved; *provided, however,* that the DIP Liens and the Adequate Protection Liens shall attach to the C-Band Payments and such DIP Liens and Adequate Protection Liens shall not be subject to subordination, defense, reduction, avoidance, impairment, challenge, or objection by any party in interest and *provided, further,* that notwithstanding any order of the Court concerning whether the C-Band Payments are the property of Intelsat Jackson or its Debtor subsidiaries, all Debtors,

including the non-DIP Debtors, stipulate and acknowledge that the DIP Liens and the Adequate Protection Liens have been properly granted in, and extend to, the C-Band Payments.

(xiii) No Control. None of the Prepetition Secured Parties control the Debtors or their properties or operations, have authority to determine the manner in which any Debtor's operations are conducted, or are control persons or insiders of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to, or arising from this Final Order, the DIP Facility, the DIP Documents, the Prepetition Credit Facility, the Prepetition First Lien Notes, or the Prepetition Secured Debt Documents.

G. Findings Regarding the DIP Facility and Use of Cash Collateral.

(i) Good and sufficient cause has been shown for the entry of this Final Order and for authorization of the DIP Debtors to obtain financing pursuant to the DIP Credit Agreement and to use the Cash Collateral of the Prepetition Secured Parties and to authorize the provision of Adequate Protection.

(ii) As set forth in the Zelin Declaration, and the First Day Declaration, the DIP Debtors have an ongoing and immediate need to continue the use of Cash Collateral, and the need to obtain credit pursuant to the DIP Facility, among other things: (a) permit the orderly continuation of their respective businesses; (b) maintain business relationships with their vendors, suppliers, customers, and other parties; (c) make investments, capital expenditures, and pay ongoing costs of operations; (d) make adequate protection payments; and (e) pay the costs of administration of the Cases and satisfy other working capital and general corporate purposes of the Debtors. The DIP Debtors require immediate access to sufficient working capital and liquidity through the incurrence of the new indebtedness for borrower money to avoid irreparable harm by, among other things, preserving and maintaining the going concern value of the Debtors'

businesses. The Debtors will not have sufficient sources of working capital and financing to operate their businesses or maintain their properties in the ordinary course of business throughout the Cases without the DIP Facility and authorized use of Cash Collateral.

(iii) As set forth in the Zelin Declaration and the First Day Declaration, the Debtors are unable to obtain financing and other financial accommodations on more favorable terms from sources other than from the DIP Lenders under the DIP Documents and are unable to obtain satisfactory unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code. The Debtors are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2), and 364(c)(3) of the Bankruptcy Code for the purposes set forth in the DIP Documents and the consensual use of Cash Collateral on more favorable terms without the Debtors granting to the DIP Agent, for the benefit of itself and the DIP Lenders, subject to the Carve Out as provided for herein and the Permitted Liens (if any), the DIP Liens and the DIP Superpriority Claims and incurring the Adequate Protection Obligations, in each case subject to the Carve Out, under the terms and conditions set forth in this Final Order and the DIP Documents.

(iv) Based on the Motion, the First Day Declaration, the Schmaltz Declaration, and the Zelin Declaration, and the record presented to the Court at the Hearing, the terms of the DIP Facility and the terms of the adequate protection granted to the Prepetition Secured Parties as provided in this Final Order are fair and reasonable, reflect the DIP Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and provide the Debtors reasonably equivalent value and fair consideration.

(v) The DIP Facility and the use of Prepetition Collateral, including Cash Collateral, have been negotiated in good faith and at arm's-length among the DIP Debtors, the DIP Secured Parties, and the Prepetition Secured Parties, and all of the DIP Debtors' obligations and

indebtedness arising under, in respect of, or in connection with, the DIP Facility and the DIP Documents, including, without limitation, all loans made to and guarantees issued by the DIP Debtors pursuant to the DIP Documents, and any DIP Obligations shall be deemed to have been extended by the DIP Agent and the DIP Lenders and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Agent and the DIP Lenders (and their successors and assigns) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Final Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise.

(vi) The Prepetition Secured Parties have acted in good faith regarding the DIP Facility and the Debtors' continued use of Prepetition Collateral (including Cash Collateral), to fund the administration of the Debtors' estates and continued operation of their businesses (including the incurrence and payment of any adequate protection obligations and the granting of adequate protection liens), in accordance with the terms hereof, and the adequate protection claims, security interests and liens, and other rights, benefits and protections granted to the Prepetition Secured Parties (and their successors and assigns) pursuant to this Final Order and the DIP Documents shall be deemed to have been agreed to by the Prepetition Secured Parties and their affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the Prepetition Secured Parties (and their successors and assigns) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Final Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise.

H. Immediate Entry. Good and sufficient cause exists for immediate entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2). Consummation of the DIP Facility and the use of Cash Collateral, in accordance with this Final Order and the other DIP Documents, is in the best interests of the Debtors' estates and consistent with the Debtors' exercise of their fiduciary duties.

I. Permitted Liens; Continuation of Prepetition Liens. Nothing herein shall constitute a finding or ruling by this Court that any alleged Permitted Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice any rights of any party in interest, including, but not limited to, any of the Debtors, the DIP Secured Parties, or the Prepetition Secured Parties to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Lien or security interest. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Lien and is expressly subject to the DIP Liens. The DIP Liens that prime the Prepetition Liens and, subject to paragraph F(xi) of this Final Order, the liens and security interests granted under the Prepetition Secured Documents to the Prepetition Secured Parties, are continuing liens and the DIP Collateral or Prepetition Collateral, as applicable, is and will continue to be encumbered by such liens in light of the integrated nature of the DIP Facility, the DIP Documents, and the Prepetition Secured Debt Documents.

Based upon the foregoing findings and conclusions, the Motion and the record before the Court with respect to the Motion, and after due consideration and good and sufficient cause appearing thereof:

IT IS HEREBY ORDERED THAT:

1. Motion Granted. The relief sought in the Motion is granted to the extent set forth herein, the financing described herein is authorized and approved, and the use of Cash Collateral and provision of adequate protection on a final basis is authorized, in each case subject to the terms and conditions set forth in this Final Order and the other DIP Documents. Any and all objections to this Final Order, to the extent not withdrawn, waived, settled, or otherwise resolved, and all reservations of rights included therein, are hereby denied and overruled on the merits.

2. Authorization of the DIP Facility and the DIP Documents.

(a) The DIP Debtors are hereby expressly authorized to execute and deliver, and, on such execution and delivery, directed to perform under the DIP Documents, including the DIP Credit Agreement, which is hereby approved and incorporated herein by reference.

(b) Upon entry of this Final Order, the Borrower is hereby authorized to borrow up to an aggregate principal amount of \$1,000,000,000.00 (plus interest, fees, indemnities, and other expenses and other amounts provided for in the DIP Credit Agreement), including an initial draw of \$500,000,000.00 in each case, pursuant to the DIP Credit Agreement, and each DIP Guarantor is hereby authorized to guarantee payment of any and all of the Borrower's obligations under the DIP Documents, in each case subject to any limitations on availability or borrowing under the DIP Documents, which shall be used for all purposes permitted under the DIP Documents, including, without limitation, to provide working and investment capital for the DIP Debtors and to pay interest, fees, and expenses and make adequate protection and other payments in accordance with this Final Order and the other DIP Documents, as set forth in the DIP Documents.

(c) For the avoidance of doubt, no proceeds from the DIP Loans or any Cash Collateral of the Prepetition Secured Parties shall be transferred from any DIP Debtor to any Debtor that is not a DIP Debtor (a “Non-DIP Debtor”). The Non-DIP Debtors are prohibited from using any Cash Collateral on deposit or maintained in any account or accounts, whether existing on the Petition Date or any date hereafter except to pay, including, in each case interest and fees related thereto: (i) obligations owed to any taxing authorities, (ii) obligations mandated by law; (iii) obligations owed to DIP Debtors; (iii) obligations as otherwise agreed to by the DIP Agent and DIP Lenders; or (iv) obligations as otherwise permitted by the DIP Credit Agreement. Claims of the DIP Debtors for payments made on behalf of the Non-DIP Debtors shall be treated as superpriority administrative expense claims in favor of the paying DIP Debtor, which shall have priority over any and all administrative expenses and claims, including, without limitation, administrative expense claims specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 327, 328, 330, 331, 361, 362, 363, 364, 365, 503, 506, 507(a), 507(b), 546, 552, 726, 1113 and 1114, and any other provision of the Bankruptcy Code, subject only to the Carve Out. The Debtors’ use of (x) any of the proceeds of the DIP Loans, (y) any Cash Collateral of the Prepetition Secured Parties, or (z) any Cash Collateral, cash, or other amounts, as applicable, of Holdings, Intelsat Investment Holdings, Intelsat Holdings, Intelsat Investments, Intelsat Lux, Intelsat Envision, or Intelsat Connect, in each case to pay any costs of administration of these Cases, including for the avoidance of doubt, payment of any portion of the Debtors’ or the Creditors’ Committee’s professional fees allocable to Debtors that are not DIP Debtors or payment of fees, expenses, or other amounts under this Final Order, is subject to all parties’ reservation of rights with respect to the allocation of such payments among the Debtors.

(d) In furtherance of the foregoing and without further approval of this Court, the Debtors are authorized and directed to perform all acts, to make, execute, and deliver all instruments, certificates, agreements, and documents (including, without limitation, the execution or recordation of pledge and security agreements, financing statements, and other similar documents), and to pay all reasonable and actual fees and expenses in connection with or that may be reasonable required, appropriate, or desirable for the DIP Debtors' performance of their obligations under or related to the DIP Facility, including, without limitation:

- (i) the execution and delivery of, and performance under, each of the DIP Documents, including, without limitation, the DIP Credit Agreement and any collateral documents contemplated thereby;
- (ii) the execution and delivery of, and performance under, one or more non-material amendments, waivers, consents or other modifications to and under the DIP Documents, (in each case in accordance with the terms of the DIP Documents and in such form as the Debtors, the DIP Agent, and the Required Lenders (as defined in the DIP Credit Agreement) may agree) it being understood that no further approval of this Court shall be required for any non-material authorizations, amendments, waivers, consents or other non-material modifications to and under the DIP Documents, as well as any fees and other expenses (including attorneys', accountants', appraisers', and financial advisors' fees), amounts, charges, costs, indemnities, and other obligations paid in connection therewith; *provided* that the Debtors, the DIP Agent, and the Required Lenders shall use commercially reasonable efforts to provide at least 3 business days' notice to the Creditors' Committee of any proposed amendments to the DIP Credit Agreement;

(iii) the non-refundable and irrevocable payment to the DIP Agent and the DIP Lenders, as the case may be, of all fees, (which fees, in each case, were and were deemed to have been approved upon entry of this Final Order, whether or not the fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, and upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action, or other challenge of any nature under the Bankruptcy Code, applicable non-bankruptcy law or otherwise), and any amounts due (or that may become due) in respect of the indemnification and expense reimbursement obligations, in each case referred to in the DIP Credit Agreement or DIP Documents, including:

- an upfront fee of 1.50% of the aggregate principal amount of the DIP Loans (the “Upfront Fee”), which shall be structured as original issue discount against the DIP Loans when advanced;
- a ticking fee of 3.60% calculated on the amount of the outstanding DIP Commitments accruing from the date of this Final Order, payable monthly in cash (the “Ticking Fee”);
- extension fees of 0.50% of the sum of (x) the aggregate outstanding amount of DIP Loans at the time of the extension and (y) the aggregate amount of unfunded DIP Commitments at the time of the extension (collectively, the “Extension Fee”), payable in cash if the DIP Debtors elect to extend the

original Scheduled Maturity Date (as defined in the DIP Credit Agreement);
and

- all reasonable costs and expenses as may become due from time to time under the DIP Documents and this Final Order, including, without limitation, fees and expenses of counsel, financial advisors, and other professionals retained by the DIP Agent and the DIP Lenders, as provided for in the DIP Documents and this Final Order, subject to paragraph 23 below; and

(iv) make the payments on account of the Adequate Protection Obligations provided for in this Final Order; and

(v) the performance of all other acts necessary, appropriate, or desirable under or in connection with the DIP Documents.

Notwithstanding anything in this Final Order to the contrary, upon the satisfaction in full, in cash, of the DIP Obligations, the Debtors shall nonetheless continue to use all commercially reasonable efforts to (i) timely prepare, submit, and prosecute all requests for reimbursement of C-band relocation costs to the Relocation Payment Clearinghouse pursuant to Expanding Flexible Use for the 3.7 to 4.2 GHz Band, GN Docket No. 18-122, Report and Order and Order of Proposed Modification, FCC 20-22 (2020) and the rules adopted therein, to be codified in Title 47 of the Code of Federal Regulations, together with all current or subsequently adopted FCC rules, orders and public notices pertaining to expanding flexible use of the 3.7 to 4.2 GHz band (collectively, the “FCC C-Band Rules”) and (ii) comply with the deadlines related to accelerated clearing of the C-band spectrum as prescribed by the FCC as set forth in the FCC C-Band Rules.

3. DIP Obligations. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute legal, valid, binding and non-avoidable obligations of the DIP Debtors, enforceable in accordance with the terms of this Final Order and the other DIP Documents, against each DIP Debtor and their estates and any successors thereto, including any trustee appointed in the Cases, or in any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases or any other chapter of the Bankruptcy Code, or in any other proceedings superseding or related to any of the foregoing (collectively, the “Successor Cases”). The DIP Debtors shall be jointly and severally liable for the DIP Obligations. The DIP Obligations shall be due and payable, without notice or demand, and the use of Cash Collateral shall automatically cease on the Termination Declaration Date or the occurrence of any event or condition set forth in paragraphs 16 and 18 of this Final Order. Except as permitted by this Final Order, no obligation, payment, transfer, or grant of security hereunder or under the DIP Documents to the DIP Agent and/or the DIP Lenders (including their Representatives) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or challenge, whether under the Bankruptcy Code or any other applicable law or regulation by any person or entity.

4. DIP Liens. Subject to the Carve Out, the DIP Obligations shall be secured by valid, binding, continuing enforceable, fully-perfected, non-avoidable, automatically and properly

perfected liens on, and security interests in (such liens and security interests, the “DIP Liens”), all present and after acquired property (whether tangible, intangible, real, personal or mixed) of the DIP Debtors wherever located, including, without limitation, all accounts, as-extracted collateral, deposit accounts, cash and cash equivalents, inventory, equipment, capital stock in subsidiaries of the DIP Debtors, and the proceeds thereof, investment property, instruments, chattel paper, real estate, leasehold rights and leasehold interests, contracts, patents, copyrights, trademarks and other general intangibles, and all products and proceeds thereof, including proceeds from any directors/officers’ insurance policies, and including reimbursement, compensation or other payments or the right to receive reimbursement, compensation or other payments in connection with the transition of the C-band spectrum in connection with (a) reimbursement of relocation costs, (b) accelerated relocation payments and (c) payments received for clearing of the C-band spectrum pursuant to private negotiations with third parties, as set forth in the FCC C-Band Rules (collectively, the “C-Band Payments”) and the Avoidance Proceeds (all such property, the “DIP Collateral”) as follows:

(a) Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior security interest in and lien upon all prepetition and postpetition property of the DIP Debtors, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date is not subject to valid, perfected and non-avoidable liens (or perfected after the Petition Date to the extent permitted by section 546(b) of the Bankruptcy Code), including, without limitation, any unencumbered cash of the DIP Debtors (whether maintained with the DIP Agent or otherwise) and any investment of such cash, accounts, inventory, goods, contract rights, mineral rights, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, accounts receivable, receivables and receivables

records, general intangible, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, intercompany claims, contracts, owned real estate, real property leaseholds, fixtures, deposit accounts, commercial tort claims, securities accounts, instruments, investment property, letter-of-credit rights, supporting obligations, vehicles, machinery and equipment, real property, leases (and proceeds from the disposition thereof), all of the issued and outstanding capital stock of each DIP Debtor, other equity or ownership interests, including equity interests in subsidiaries and non-wholly owned subsidiaries, money, investment property, causes of action (including the Avoidance Proceeds), and all cash and non-cash proceeds, rents, products, substitutions, accessions, profits and supporting obligations of any of the collateral described above, whether in existence on the Petition Date or thereafter created, acquired, or arising and wherever located, subject only to the Carve Out;

(b) Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority priming security interest and lien (the “Priming Liens”) on all prepetition and postpetition property of the DIP Debtors of the same nature, scope, and type as the Prepetition Collateral (including Cash Collateral) whether in existence on the Petition Date or thereafter created, acquired, or arising and wherever located, to the extent that such Prepetition Collateral is subject to any of the Prepetition Liens securing the Prepetition First Lien Obligations, regardless of whether or not any of the Prepetition Liens on the assets are voided, avoided, invalidated, lapsed, or unperfected, subject only to the Carve Out and Permitted Liens, if any. The Priming Liens shall prime in all respects the liens and security interests of the Prepetition Secured Parties, with respect to the Prepetition Secured Debt (including, without limitation, the Prepetition Liens and the Adequate Protection Liens granted to the Prepetition Secured Parties) (the “Primed Liens”). Notwithstanding anything herein to the

contrary, the Priming Liens (i) shall be subject and junior to the Carve Out in all respects and Permitted Liens, if any, (ii) shall be senior in all respects to Prepetition Liens and (iii) shall also be senior to the Adequate Protection Liens; *provided that* the Primed Liens shall be primed by and made subject and subordinate to the Carve Out and the Priming Liens, but the Priming Liens shall not prime Permitted Liens, if any, to which the Prepetition Liens are subject to on the Petition Date (other than liens which are themselves Prepetition Liens); and

(c) Pursuant to section 364(c)(3) of the Bankruptcy Code, be secured by a valid, binding, continuing, enforceable, fully perfected junior priority security interest and lien on all prepetition and postpetition property of the DIP Debtors to the extent that such assets are subject to valid, perfected and unavoidable liens in favor of third parties that were in existence immediately prior to the Petition Date (other than the Primed Liens), or to valid and unavoidable liens in favor of third parties that were in existence immediately prior to the Petition Date that were perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code (other than Primed Liens) (collectively, the “Permitted Liens”), which liens shall be (a) junior and subordinate to any such valid, perfected, and non-avoidable liens in existence immediately prior to the Petition Date and/or (b) any such valid and non-avoidable liens in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code; *provided that* nothing in the foregoing shall limit the rights of the DIP Secured Parties under the DIP Documents to the extent any such liens are not permitted thereunder.

5. DIP Superpriority Claims. Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the DIP Debtors on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the DIP Debtors, now existing or hereafter arising, of

any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims (“Administrative Expense Claims”) arising under sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113, or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy, or attachment, which allowed claims (the “DIP Superpriority Claims”) shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of the DIP Debtors and all proceeds thereof (excluding claims and causes of action under sections 502(d), 544, 545, 547, 548, and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code whether pursuant to federal law or applicable state law (collectively, the “Avoidance Actions”) but including any proceeds or property recovered, unencumbered, or otherwise, from Avoidance Actions, whether by judgment, settlement, or otherwise (collectively, the “Avoidance Proceeds”)) in accordance with the other DIP Documents, subject only to the Carve Out. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code if this Final Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise.

6. Reporting Requirements/Access to Records. The Debtors shall provide (x) the DIP Lenders, (y) the advisors to the Intelsat Jackson Ad Hoc Group, and (z) the advisors to the Intelsat Jackson Crossover Ad Hoc Group with all reporting and other information required to be provided to the DIP Agent under the DIP Documents. In addition to, and without limiting, whatever rights to access the DIP Agent and the DIP Secured Parties have under the DIP Documents, upon

reasonable notice, at reasonable times during normal business hours, the Debtors shall permit representatives, agents, and employees of the DIP Agent, the DIP Lenders, the Intelsat Jackson Ad Hoc Group, and the Intelsat Jackson Crossover Ad Hoc Group to: (i) have access to and inspect the Debtors' book and records; and (ii) discuss the Debtors' affairs, finances, and condition with the Debtors' officers and financial advisors.

7. Carve Out.

(a) Carve Out. As used in this Final Order, the "Carve Out" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notices set forth in (iii) below); (ii) all reasonable fees and expenses up to \$400,000.00 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (including any restructuring, sale, success, or other transaction fee of any investment bankers of the Debtors or any Creditors' Committee) (the "Allowed Professional Fees") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "Debtor Professionals") and the Creditors' Committee pursuant to section 328 or 1103 of the Bankruptcy Code (the "Committee Professionals" and, together with the Debtor Professionals, the "Professional Persons") at any time before or on the first business day following delivery by the DIP Agent (or, if following the indefeasible payment in full, in cash, of the DIP Obligations and the termination of all commitments under the DIP Facility, the Prepetition Collateral Trustee, acting at the direction of the Prepetition Administrative Agent acting, in turn, at the direction of the Required First Lien Parties) of a Carve Out Trigger Notice, whether allowed by the Court prior to or after delivery of

a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$40,000,000.00 incurred after the first business day following the delivery by the DIP Agent (or, if following the indefeasible payment in full, in cash, of the DIP Obligations and the termination of all commitments under the DIP Facility, the Prepetition Collateral Trustee, acting at the direction of the Prepetition Administrative Agent acting, in turn, at the direction of the Required First Lien Parties) of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”). For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (or, if following the indefeasible payment in full, in cash, of the DIP Obligations and the termination of all commitments under the DIP Facility, the Prepetition Collateral Trustee, acting at the direction of the Prepetition Administrative Agent acting, in turn, at the direction of the Required First Lien Parties) to the Debtors, their lead restructuring counsel, the U.S. Trustee, counsel to the Intelsat Jackson Crossover Ad Hoc Group, and counsel to the Creditors’ Committee, which notice may be delivered following the occurrence and during the continuation of (x) a DIP Termination Event and acceleration of the DIP Obligations or (y) if the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments under the DIP Facility have been terminated, a Cash Collateral Termination Event and termination of the Debtors’ right to use Cash Collateral by the Prepetition Secured Parties, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Carve Out Reserves. The Debtors shall establish and fund a segregated account (the “Funded Reserve Account”) for purposes of funding the Carve Out. The Funded Reserve Account will be funded first from the proceeds of the DIP Facility and then from all cash

on hand as of such date and any available cash thereafter held by any Debtor, including Cash Collateral. Notwithstanding anything to the contrary in this Final Order or the DIP Documents, in no circumstances (which, for the avoidance of doubt, includes, but is not limited to, an Event of Default or a termination of the DIP Credit Agreement or DIP Documents) shall the Debtors be prohibited in any way from accessing or drawing upon the proceeds of the DIP Facility for the purpose of funding the Funded Reserve Account. Upon entry of this Final Order, the Debtors will deposit into the Funded Reserve Account an amount equal to the aggregate amount of (i) the Allowed Professional Fees projected to accrue from the Petition Date through June 30, 2020, (ii) the Post-Carve Out Trigger Notice Cap, and (iii) the amounts contemplated by (a)(i) and (a)(ii) above (the “Initial Funded Reserve Amount”). Commencing July 1, 2020 (or the first business day thereafter), on the first business day of each month, the Debtors shall deposit in the Funded Reserve Account an amount equal to the aggregate amount of Allowed Professional Fees (excluding restructuring, sale, financing, or other success fees) projected to accrue for the following month in the Budget *plus* twenty percent of such aggregate amount of Allowed Professional Fees projected to accrue in the following month in the Budget (the “Monthly Funded Reserve Amount”). Each Professional Person may deliver to the Debtors a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred in the preceding month (each such statement, a “Fee Statement”), and to the extent the amount of Allowed Professional Fees accrued and claimed in a Fee Statement exceeds the Initial Funded Reserve Amount or the Monthly Funded Reserve Amount for the applicable period or month, respectively, and such fees and expenses have otherwise not been paid by the Debtors, the Debtors shall, within one business day, fund additional amounts into the Funded Reserve Account equal to the difference between, as applicable, the Initial Funded Reserve Amount or the Monthly Funded Reserve Amount and the

amount accrued and claimed in the applicable Fee Statement (each, a “Top Off Amount”). At any time, if the Debtors in good faith believe a restructuring, sale, financing, or other success fee has been earned by a Professional Person and is then due and payable, the Debtors shall deposit in the Funded Reserve Account an amount equal to such fee. The Funded Reserve Account shall be maintained, and the funds therein (the “Funded Reserve Amount”) shall be held in trust, for the benefit of Professional Persons. Any and all amounts in the Funded Reserve Account shall not be subject to any cash sweep and/or foreclosure provisions in the Prepetition First Lien Notes Documents or DIP Documents and neither the Prepetition Secured Parties nor the DIP Secured Parties shall be entitled to sweep or foreclose on such amounts notwithstanding any provision to the contrary in the Prepetition First Lien Notes Documents or DIP Documents. Notwithstanding the foregoing, any and all payments to Professional Persons allowed by the Court (excluding restructuring, sale, financing, or other success fees) shall be paid first from the Funded Reserve Account.

(c) On the day on which a Carve Out Trigger Notice is given by the DIP Agent (or, if the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments under the DIP Facility have been terminated, the Prepetition Collateral Trustee, acting at the direction of the Prepetition Administrative Agent, acting, in turn, at the direction of the Required First Lien Parties) to the Debtors with a copy to counsel to the Intelsat Jackson Crossover Ad Hoc Group and counsel to the Creditors’ Committee (the “Termination Declaration Date”), the Carve Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees in excess of the Funded Reserve Amount; *provided that* in the event that a Termination Declaration Date occurs, Professional Persons shall have two

business days to deliver additional Fee Statements to the Debtors, and the Debtors shall fund into the Funded Reserve Amount any Top Off Amounts. The Debtors shall deposit and hold such amounts in a segregated account at the DIP Agent in trust to pay such then unpaid Allowed Professional Fees (the “Pre-Carve Out Trigger Notice Reserve”) prior to any and all other claims. On the Termination Declaration Date, the Carve Out Trigger Notice shall also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap to the extent not already funded (including upon entry of the Final Order as set forth above). The Debtors shall deposit and hold such amounts in a segregated account at the DIP Agent in trust to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the “Post-Carve Out Trigger Notice Reserve” and, together with the Pre-Carve Out Trigger Notice Reserve, the “Carve Out Reserves”) prior to any and all other claims. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve Out set forth above (the “Pre-Carve Out Amounts”), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay the DIP Agent for the benefit of the DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments under the DIP Facility have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties in accordance with their rights and priorities as set forth herein. All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the “Post-Carve Out Amounts”), and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, to

pay the DIP Agent for the benefit of the DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments under the DIP Facility have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties in accordance with their rights and priorities as set forth herein. Notwithstanding anything to the contrary in the DIP Documents, or this Final Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph 7, then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in this paragraph 7, prior to making any payments to the DIP Agent or the Prepetition Secured Parties, as applicable. Notwithstanding anything to the contrary in the DIP Documents or this Final Order, following delivery of a Carve Out Trigger Notice, the DIP Agent and the Prepetition Agents and Prepetition First Lien Indenture Trustees shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, to the extent such residual interest constitutes DIP Collateral or Prepetition Collateral, respectively, with any excess paid to the DIP Agent for application in accordance with the DIP Documents, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments under the DIP Facility have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties in accordance with their rights and priorities as set forth herein. Further, notwithstanding anything to the contrary in this Final Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not constitute Loans (as defined in the DIP Credit Agreement) or increase or reduce the DIP Obligations, (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and

(iii) in no way shall the Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Final Order, the DIP Facility, or any Prepetition Secured Debt Document, the Carve Out shall be senior to all liens and claims securing the DIP Facility, the Adequate Protection Liens, and the Adequate Protection Claims, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition First Lien Obligations. Notwithstanding the payment of any amounts contained in the Carve Out Reserves (including any residual amounts contained therein) to the Prepetition Secured Parties as contemplated by this paragraph 7, all parties' rights with respect to any such payments solely to the Prepetition Secured Parties (including whether such amounts constitute Prepetition Collateral) are expressly preserved.

(d) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(e) No Direct Obligation to Pay Allowed Professional Fees. None of the DIP Agent, DIP Lenders or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Cases or any Successor Cases. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(f) Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law.

8. Limitation on Charging Expenses against Collateral. Effective as of the Petition Date, in light of the agreement of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to allow (i) the Debtors to use Cash Collateral as provided for herein, (ii) the Carve Out, and (iii) for the subordination of the Primed Liens to the DIP Liens, no expenses of administration of the Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Prepetition Collateral or the DIP Collateral (except to the extent of the Carve Out) pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent, the DIP Lenders, the Prepetition Agents, and Prepetition First Lien Indenture Trustees, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence. Notwithstanding the foregoing, nothing contained in this paragraph shall affect or otherwise impact the charging lien available to the Prepetition Agents or Prepetition First Lien Indenture Trustees with respect to the Prepetition Collateral or any additional collateral subject to the Adequate Protection Liens or funds or other property otherwise subject to distribution to recover payment of any unpaid fees, expenses, or other amounts to which it is entitled under the Prepetition Secured Debt Documents, subject to the priority of the DIP Liens and DIP Superpriority Claims in accordance with this Final Order.

9. No Marshaling/Application of Proceeds. Effective as of the Petition Date, the DIP Agent, the Prepetition Agents and Prepetition First Lien Indenture Trustees shall be entitled to apply the payments or proceeds of the DIP Collateral and the Prepetition Collateral in accordance with the provisions of this Final Order, the DIP Documents and the Prepetition Secured Debt Documents, as applicable, and in no event shall the DIP Agent, the DIP Lenders, or any of the Prepetition Secured Parties be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or Prepetition Collateral.

10. Equities of the Case. Effective as of the Petition Date, in light of, among other things, the agreement of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to allow the Debtors to use Cash Collateral on the terms set forth herein (i) the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall be entitled to the rights and benefits of section 552(b) of the Bankruptcy Code, if any, and (ii) the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to such parties with respect to the proceeds, products, offspring or profits of any of the Prepetition Collateral or the DIP Collateral, as applicable.

11. Payments Free and Clear. Subject to the Carve Out, any and all payments or proceeds remitted to the DIP Agent or the DIP Agent on behalf of the DIP Lenders pursuant to the provisions of this Final Order and any other DIP Document or any subsequent order of the Court shall be irrevocable, received free and clear of any claim, charge, assessment, or other liability, including, without limitation, any claim or charge arising out of or based on, directly or indirectly, sections 506(c) or 552(b) of the Bankruptcy Code, whether asserted or assessed by, through, or on behalf of the Debtors.

12. Use of Cash Collateral. The Debtors are hereby authorized to use all Cash Collateral solely in accordance with this Final Order and the DIP Documents, including, without limitation, to make payments on account of the Adequate Protection Obligations and other obligations provided for in the Interim Cash Collateral Order, this Final Order and the DIP Documents, including, for the avoidance of doubt, (a) for working capital needs of the DIP Debtors in the ordinary course of business, (b) for C-band relocation costs, (c) for investment and other general corporate purposes, and (d) for the costs and expenses of administering the Cases, including for payment of any Adequate Protection Obligations. Except on the terms and conditions of this Final Order, or as otherwise agreed to by the DIP Agent acting at the direction of the Required Lenders, the Debtors shall be enjoined and prohibited from at any time using the Cash Collateral. For the avoidance of doubt, no proceeds from the DIP Loans or any Cash Collateral of the Prepetition Secured Parties shall be transferred from any DIP Debtor to any Debtor that is not a DIP Debtor.

13. Adequate Protection for the Prepetition Secured Parties. Subject only to the Carve Out and the terms of this Final Order, pursuant to sections 361, 363(e), and 364 of the Bankruptcy Code, and in consideration of the stipulations and consents set forth in the Interim Cash Collateral Order and this Final Order, as adequate protection of their interests in the Prepetition Collateral (including Cash Collateral), for and equal in amount to the aggregate postpetition diminution in value of such interests (each such diminution, a “Diminution in Value”), resulting from the imposition of the Priming Liens on the Prepetition Collateral, the Carve Out, the sale, lease or use of the Prepetition Collateral (including Cash Collateral), and/or any other reason for which adequate protection may be granted under the Bankruptcy Code, the Prepetition Agents and

Prepetition First Lien Indenture Trustees, for themselves and the Prepetition Secured Parties, are hereby granted the following (collectively, the “Adequate Protection Obligations”):

(a) Adequate Protection Liens. As security for and solely to the extent of any Diminution in Value, additional and replacement valid, binding, enforceable, non-avoidable, and effective and automatically perfected postpetition security interests in, and liens on, as of the date of the Interim Cash Collateral Order (the “Adequate Protection Liens”), without the necessity of the execution by the DIP Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages, or other similar documents, all prepetition and postpetition property of the DIP Debtors, including, for the avoidance of doubt, the DIP Collateral, whether existing on the Petition Date or thereafter created, acquired or arising, and wherever located, including, without limitation, property that (x) is of the same nature, scope, and type as the Prepetition Collateral that is subject to any of the Prepetition Liens securing the Prepetition First Lien Obligations, and (y) on or as of the Petition Date is not subject to valid, perfected and non-avoidable liens (or perfected after the Petition Date to the extent permitted by section 546(b) of the Bankruptcy Code). The Adequate Protection Liens shall be subject and junior to the DIP Liens (including any liens to which the DIP Liens are junior) and the Carve Out, and otherwise be senior to all other security interests in, liens on, or claims against any of the Prepetition Collateral, including the Prepetition Liens and any lien or security interest that is avoided and preserved for the benefit of the DIP Debtors and their estates under section 551 of the Bankruptcy Code.

(b) Adequate Protection Claims. As further adequate protection, and to the extent provided by sections 503(b) and 507(b) of the Bankruptcy Code, an allowed administrative expense claim in the Cases of each of the DIP Debtors to the extent of any postpetition Diminution

in Value ahead of and senior to any and all other administrative expense claims in such Cases, except the Carve Out and the DIP Superpriority Claims (the “Adequate Protection Claims”). The Adequate Protection Claims shall be payable from and have recourse to all prepetition and postpetition property of the DIP Debtors and all proceeds thereof (excluding Avoidance Actions, but including the Avoidance Proceeds). Subject to the Carve Out and the DIP Superpriority Claims in all respects, the Adequate Protection Claims will not be junior or *pari passu* to any claims and shall have priority over all administrative expense claims against each of the DIP Debtors, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expense claims of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 365, 503(a), 506(c), 507(a), 507(b), 546(d), 726, 1113 and 1114 of the Bankruptcy Code. The Prepetition Secured Parties shall not receive or retain any payments, property or other amounts in respect of the Adequate Protection Claims from DIP Debtors under section 507(b) of the Bankruptcy Code granted hereunder unless and until the DIP Obligations have been indefeasibly paid in full, in cash, or as otherwise provided in the DIP Documents.

(c) Fees and Expenses. As further adequate protection, the Debtors are authorized and directed to pay, without further Court order, the reasonable and documented fees and expenses (the “Adequate Protection Fees”), whether incurred before or after the Petition Date, of the Prepetition Agents, the Prepetition First Lien Indenture Trustees, and the Intelsat Jackson Ad Hoc Group, including, without limitation, the reasonable and documented fees and expenses of: (i) Akin Gump Strauss Hauer & Feld LLP as counsel to an ad hoc group of Prepetition Secured Parties (the “Intelsat Jackson Ad Hoc Group”); (ii) Centerview Partners LLC, as financial advisor to the Intelsat Jackson Ad Hoc Group; (iii) one local counsel to the Intelsat Jackson Ad Hoc Group in each applicable jurisdiction and reasonably necessary regulatory and conflicts counsel; (iv)

Cahill Gordon & Reindel LLP, as counsel to the Prepetition Administrative Agent and one local counsel to the Prepetition Administrative Agent in each applicable jurisdiction; (v) Pryor Cashman LLP, counsel to the Prepetition First Lien Indenture Trustees and one local counsel to the Prepetition First Lien Indenture Trustees in each applicable jurisdiction; and (vi) Winston & Strawn LLP, as counsel to the Prepetition Collateral Trustee and one local counsel to the Prepetition Collateral Trustee in each applicable jurisdiction. As further adequate protection, and in exchange for the consent of the Prepetition Secured Lenders represented by Jones Day and Houlihan Lokey Capital, Inc. (the “Intelsat Jackson Crossover Ad Hoc Group”) to the use of Cash Collateral as set forth in this Final Order, the Debtors are authorized and directed to pay the Adequate Protection Fees of (i) Jones Day as counsel to the Intelsat Jackson Crossover Ad Hoc Group; (ii) Houlihan Lokey Capital, Inc., as financial advisor to the Intelsat Jackson Crossover Ad Hoc Group; and (iii) one local counsel to the Intelsat Jackson Crossover Ad Hoc Group in each applicable jurisdiction and reasonably necessary regulatory counsel and conflicts counsel; *provided, however*, for the avoidance of doubt, no such Adequate Protection Fees of the Intelsat Jackson Crossover Ad Hoc Group are payable on account of any fees or expenses incurred in connection with any actions subject to the use restrictions described in paragraph 24 herein; *provided, further*, that, for the avoidance of doubt, nothing in this Final Order shall be construed as a waiver of any rights of the Intelsat Jackson Crossover Ad Hoc Group to take any actions described in paragraph 24 herein, and all such rights are expressly preserved. As further adequate protection and in connection with the agreement by certain creditors represented by Paul, Weiss, Rifkind, Wharton & Garrison LLP (the “ParentCo Creditors”) not to seek the formation of any additional official committee to represent certain creditors beyond the Creditors’ Committee (an “Additional Committee”), the Debtors are authorized and directed to pay the Adequate

Protection Fees from cash held by Debtors other than the Prepetition Obligors, whether incurred before or after the Petition Date of the ParentCo Creditors, including, without limitation, the reasonable and documented fees and expenses of (i) Paul, Weiss, Rifkind, Wharton & Garrison LLP as counsel to the ParentCo Creditors, (ii) a financial advisor to the ParentCo Creditors, and (iii) one Luxembourg and Virginia local counsel to the ParentCo Creditors and reasonably necessary regulatory counsel and conflicts counsel; *provided, however*, that (i) (a) the ParentCo Creditors shall oppose and object to the formation of any Additional Committee, and (b) should an Additional Committee be formed over such objections and the ParentCo Creditors holding a majority of the holdings of the ParentCo Creditors are appointed to the Additional Committee, then the ParentCo Creditors will no longer be entitled to Adequate Protection Fees incurred after the date of the formation of the Additional Committee and (ii) the ParentCo Creditors reserve all rights as provided for by this Final Order (including all rights provided by paragraph 24 hereof). Professionals for the Prepetition Agents, the Prepetition First Lien Indenture Trustees, the Intelsat Jackson Ad Hoc Group, the Intelsat Jackson Crossover Ad Hoc Group, and the ParentCo Creditors shall not be required to comply with the U.S. Trustee fee guidelines; *provided, however* that any time such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine) to counsel to the Debtors, the U.S. Trustee and counsel to the Creditors' Committee (collectively, the "Fee Notice Parties"). If no objection to payment of the requested

Adequate Protection Fees and expenses is made, in writing, by any of the Fee Notice Parties within fifteen (15) calendar days after delivery of such invoices (the “Fee Objection Period”), then such invoice shall be promptly paid, without further order of, or application to, the Court or notice to any other party, and, in any case, within five (5) calendar days following the expiration of the Fee Objection Period and shall not be subject to any further review, challenge, or disgorgement. For the avoidance of doubt, the provision of such invoices shall not constitute a waiver of attorney-client privilege or any benefits of the attorney work product doctrine. If within the Fee Objection Period, a Fee Notice Party sends to the affected professional and files with the Court a written objection to such invoice, then only the disputed portion of such Adequate Protection Fees shall not be paid until the objection is resolved by the applicable parties in good faith or by order of the Court. Subject to the terms hereof, the Debtors are authorized, without further notice or hearing, to pay all reasonable and documented fees, costs, and out-of-pocket expenses of the Prepetition Secured Parties to the extent otherwise payable in accordance with the terms of the Prepetition Secured Debt Documents and this Final Order; *provided, however* that parties shall not have to comply with the fee review provisions set forth above with respect to any fees or expenses incurred prior to the entry of this Final Order.

(d) Adequate Protection Payments. As further adequate protection, the Prepetition Agents and Prepetition First Lien Indenture Trustees, on behalf of the Prepetition Secured Parties, shall receive monthly adequate protection payments (the “Adequate Protection Payments”), payable in cash on the thirtieth day of each month, retroactive to the Petition Date, equal to the interest on a current basis under the Prepetition Secured Debt Documents (in the case of the Prepetition Credit Agreement, calculated at the default rate applicable to ABR Loans (in the case of Tranche B-3 Term Loans and Tranche B-4 Term Loans) and the default rate applicable to

Fixed Rate Loans (in the case of Tranche B-5 Term Loans)); *provided* that the rights of any party in interest to seek a determination that the payments of default interest (as set forth in this paragraph 13(d)) should be recharacterized under section 506(b) of the Bankruptcy Code or any other applicable law as payment on account of the applicable Prepetition First Lien Obligations, are fully reserved.

(e) Information Rights. The Debtors shall promptly provide the Prepetition Agents, the Prepetition First Lien Indenture Trustees, the Intelsat Jackson Ad Hoc Group, and the advisors to the Intelsat Jackson Crossover Ad Hoc Group, respectively, with all financial reporting and other periodic reporting that is required to be provided to the DIP Agent and the DIP Lenders, as applicable, under the DIP Documents.

14. Perfection of DIP Liens and Adequate Protection Liens.

(a) The DIP Agent and the Prepetition Agents and Prepetition First Lien Indenture Trustees are hereby authorized, but not required, to file or record (and to execute in the name of the Debtors, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, intellectual property filings, mortgages, depository account control agreements, notices of lien, or similar instruments in any jurisdiction in order to validate and perfect the liens and security interests granted hereunder. Whether or not the DIP Agent or the Prepetition Agents or Prepetition First Lien Indenture Trustees shall, in their sole discretion, choose to file such financing statements, intellectual property filings, mortgages, notices of lien, or similar instruments, such liens and security interests shall be deemed valid, automatically perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination (subject to the priorities set forth in this Final Order), at the time and on the date of this Final Order, in the case of the DIP Obligations, and at the time and on the date of the Interim

Cash Collateral Order in the case of the Prepetition First Lien Obligations. Upon the request of the DIP Agent, the Prepetition Agents, or the Prepetition First Lien Indenture Trustees, as applicable, each of the Prepetition Secured Parties and the Debtors, without any further consent of any party, is authorized to take, execute, deliver, and file such instruments (in the case of the Prepetition Secured Parties, without representation or warranty of any kind) to enable the DIP Agent, the Prepetition Agents or the Prepetition First Lien Indenture Trustees to further validate, perfect, preserve, and enforce the DIP Liens and the applicable Adequate Protection Liens, respectively. All such documents will be deemed to have been recorded and filed as of the Petition Date.

(b) A copy of this Final Order may, in the discretion of the DIP Agent, or the applicable Prepetition Agents or Prepetition First Lien Indenture Trustees, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Final Order for filing and recording; *provided, however*, that notwithstanding the date of any such filing, the date of such perfection shall be the date of this Final Order in the case of the DIP Liens, and the date of the Interim Cash Collateral Order in the case of the Adequate Protection Liens.

(c) Any provision of any lease or other license, contract or other agreement that requires (i) the consent or approval of one or more landlords or other parties, or (ii) the payment of any fees or obligations, in order for any Debtor to pledge, grant, sell, assign, or otherwise transfer any such leasehold interest, or the proceeds thereof, or other collateral related thereto in connection with the granting of the DIP Liens and the Adequate Protection Liens, is hereby deemed to be inconsistent with the applicable provisions of the Bankruptcy Code. Thereupon, any such

provision shall have no force and effect with respect to the granting of the DIP Liens and the Adequate Protection Liens on such leasehold interest or the proceeds of any assignment, and/or sale thereof by any Debtor in accordance with the terms of the DIP Credit Agreement or this Final Order.

15. Section 507(b) Reservation. Nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to the Prepetition Secured Parties is insufficient to compensate for any Diminution in Value of their interests in the Prepetition Collateral during the Cases. Nothing contained herein shall be deemed a finding by the Court, or an acknowledgment by any of the Prepetition Secured Parties against any Diminution in Value of their respective interests in the Prepetition Collateral (including the Cash Collateral).

16. DIP Termination Event. Subject to paragraph 17, prior to the DIP Obligations having been indefeasibly paid in full, in cash, and all obligations and commitments under the DIP Facility having been terminated, the DIP Obligations shall terminate, without further notice or action by the Court following the earliest to occur of any of the following (each a “DIP Termination Event”): (i) the occurrence of any Event of Default (as defined in the DIP Credit Agreement), which Events of Default are explicitly incorporated by reference into this Final Order; (ii) the Debtors’ failure to comply with any provision of this Final Order; (iii) the occurrence of the Scheduled Maturity Date (as defined in the DIP Credit Agreement); or (iv) the filing of any motion without prior written consent of the Required Lenders (as defined in the DIP Credit Agreement), seeking to use Cash Collateral on a non-consensual basis or to obtain financing under section 364 of the Bankruptcy Code other than the DIP Facility unless such alternative financing is a Qualified Junior DIP Financing (provided that, for the avoidance of doubt, all parties rights with respect to

any such financing shall be preserved). For purposes of this Final Order, a “Qualified Junior DIP Financing” means financing provided to the Debtors which: (i) is secured by liens and/or superpriority administrative expense claims which rank junior in priority in all respects to the Prepetition Liens, Adequate Protection Liens and Adequate Protection Claims; (ii) complies with the Prepetition Collateral Agency and Intercreditor Agreement and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Secured Debt Documents; (iii) is not conditioned on any modifications to the rights (x) granted to the Prepetition Secured Parties under the Final Order or (y) granted upon entry of this Final Order, other than such non-material and ministerial modifications to the Interim Cash Collateral Order or this Final Order necessary in furtherance of a Qualified Junior DIP Financing; and (iv) such Qualified Junior DIP Financing provides for the indefeasible payment in full, in cash, of the DIP Obligations, including, for the avoidance of doubt, any and all outstanding interest, fees and expenses as set forth in the DIP Documents.

17. Remedies Upon a DIP Termination Event. The Debtors shall as soon as reasonably practicable provide notice to counsel to the DIP Agent, the DIP Lenders, the Prepetition Administrative Agent, the Prepetition Collateral Trustee, the Prepetition First Lien Indenture Trustees, the Intelsat Jackson Ad Hoc Group, and the Intelsat Jackson Crossover Ad Hoc Group (with a copy to counsel to the Creditors’ Committee), of the occurrence of any DIP Termination Event. Upon the occurrence of a DIP Termination Event (regardless of whether the Debtors have given the notice described in the previous sentence) and following the giving of not less than five (5) business days’ advance written notice, which may be by email (the “Enforcement Notice”), to counsel to the Debtors, the U.S. Trustee, counsel to the Intelsat Jackson Crossover Ad Hoc Group, and counsel to the Creditors’ Committee (the “Notice Period”), (i) the DIP Agent, acting at the

direction of the Required Lenders may exercise any rights and remedies against the DIP Collateral available to it under this Final Order, the DIP Documents, and applicable non-bankruptcy law, and the DIP Agent and the DIP Lenders may exercise such other rights available to them under the DIP Documents or this Final Order, as applicable, and (ii) the Prepetition Secured Parties may exercise any rights and remedies to satisfy the Prepetition First Lien Obligations, the Adequate Protection Claims, and any other Adequate Protection Obligations, subject to the DIP Obligations, the DIP Superpriority Claims, the Permitted Liens and, in each case, the Carve Out. The automatic stay pursuant to section 362 of the Bankruptcy Code shall be automatically terminated with respect to the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties at the end of the Notice Period, without further notice or order of the Court, unless the DIP Agent, acting at the direction of the Required Lenders, and the Prepetition Agents, acting at the direction of the Required First Lien Parties, elect otherwise in a written notice to the Debtors, which may be by email. Upon termination of the automatic stay, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties, as applicable, shall be permitted to exercise all rights and remedies set forth herein, in the DIP Documents and the Prepetition Secured Debt Documents, as applicable, and as otherwise available at law against the DIP Collateral and/or Prepetition Collateral, without any further order of or application or motion to the Court, and without restriction or restraint imposed by any stay under sections 362 or 105 of the Bankruptcy Code, or otherwise, against (x) the enforcement of the liens and security interests in the DIP Collateral or the Prepetition Collateral, or (y) the pursuit of any other rights and remedies granted to the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties pursuant to the DIP Documents, the Prepetition Secured Debt Documents, or this Final Order, as applicable; *provided* that during the Notice Period the Debtors may use the proceeds of the DIP Facility (to the extent drawn prior to the occurrence of a DIP Termination Event) or

Cash Collateral only to (i) fund operations in accordance with the DIP Credit Agreement and (ii) to fund the Carve Out Reserves; *provided, further* that during the Notice Period the Debtors, the DIP Lenders, and the DIP Agent consent to a hearing on an expedited basis at which the only permissible basis for the Debtors, the Creditors' Committee, or any other party to contest, challenge, or object to an Enforcement Notice shall be solely with respect to the validity of the Termination Event(s) giving rise to such Enforcement Notice (*i.e.* whether such Termination Event validly occurred and has been cured or waived in accordance with this Final Order); *provided, further* that if a hearing to consider the foregoing is requested to be heard before the end of the Notice Period but is scheduled for a later date by the Court, the Notice Period shall be automatically extended to the date of such hearing.

18. Cash Collateral Termination Event. Subject to paragraph 19, in the event that the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments and obligations under the DIP Facility have been terminated, other than in accordance with the consummation of an Acceptable Plan (as defined in the DIP Credit Agreement), the Debtors' authorization to use Cash Collateral pursuant to this Final Order shall automatically terminate without further notice or action by the Court following the earliest to occur of any of the following (each a "Cash Collateral Termination Event"): (i) the filing of any motion without prior written consent of the Required First Lien Parties, seeking to use Cash Collateral on a non-consensual basis or to obtain financing under section 364 of the Bankruptcy Code other than the DIP Facility unless such alternative financing is a Qualified Junior DIP Financing (provided that, for the avoidance of doubt, all parties rights with respect to any such financing shall be preserved); (ii) the Debtors' failure to comply with any provision of this Final Order that does not expressly relate to the DIP Facility; (iii) an order confirming a plan of reorganization has not been entered by the date that is

20 months following the Petition Date; (iv) the Debtors' failure to use commercially reasonable efforts to (a) timely prepare, submit, and prosecute all requests for reimbursement of C-band relocation costs to the Relocation Payment Clearinghouse pursuant to FCC C-Band Rules and (b) comply with the deadlines related to accelerated clearing of the C-band spectrum as prescribed by the FCC as set forth in the FCC C-Band Rules; (v) the Debtors shall have revoked or withdrawn the Participation Election Form from the FCC; and (vi) the sum of unrestricted cash, the Funded Reserve Account, and cash equivalents held by the Debtors in which the Prepetition Collateral Trustee has a first priority perfected security interest (excluding cash of Debtor Intelsat Connect Finance S.A.) shall be less than \$200,000,000.00, tested on a monthly basis within ten (10) business days following month-end.

19. Remedies Upon a Cash Collateral Termination Event. The Debtors shall as soon as reasonably practicable provide notice to counsel for the Prepetition Administrative Agent, the Prepetition Collateral Trustee, the Prepetition First Lien Indenture Trustees, the Intelsat Jackson Ad Hoc Group, and the Intelsat Jackson Crossover Ad Hoc Group (with a copy to counsel to the Creditors' Committee), of the occurrence of any Cash Collateral Termination Event. Upon the occurrence of a Cash Collateral Termination Event (regardless of whether the Debtors have given notice described in the previous sentence) and following the giving of not less than five (5) business days' advance written notice, which may be by email (the "Cash Collateral Enforcement Notice") to counsel to the Debtors, the U.S. Trustee, counsel to the Intelsat Jackson Crossover Ad Hoc Group, and counsel to the Creditors' Committee (the "Cash Collateral Notice Period"), the Prepetition Collateral Trustee, acting at the direction of the Prepetition Administrative Agent acting, in turn, at the direction of the Required First Lien Parties may exercise any rights and remedies to satisfy the Prepetition First Lien Obligations, the Adequate Protection Claims, and any

other Adequate Protection Obligations, in each case subject to the Carve Out. The automatic stay pursuant to section 362 of the Bankruptcy Code shall be automatically terminated with respect to the Prepetition Secured Parties at the end of the Notice Period, without further notice or order of the Court, unless the Prepetition Collateral Trustee, acting at the direction of the Prepetition Administrative Agent acting, in turn, at the direction of the Required First Lien Parties, elect otherwise in a written notice to the Debtors, which may be by email. Upon termination of the automatic stay, the Prepetition Collateral Trustee, acting at the direction of the Prepetition Administrative Agent acting, in turn, at the direction of the Required First Lien Parties shall be permitted to exercise all rights and remedies set forth herein and in the Prepetition Secured Debt Documents, as applicable, and as otherwise available at law against the Prepetition Collateral, without any further order of or application or motion to the Court, and without restriction or restraint imposed by any stay under sections 362 or 105 of the Bankruptcy Code, or otherwise, against (x) the enforcement of the liens and security interests in the Prepetition Collateral or (y) the pursuit of any other rights and remedies granted to the Prepetition Secured Parties pursuant to the Prepetition Secured Debt Documents or this Final Order, as applicable; *provided* that during the Cash Collateral Notice Period the Debtors may use Cash Collateral only to (i) fund operations in accordance with the Budget and (ii) to fund the Carve Out Reserves; *provided, further* that during the Cash Collateral Notice Period the Debtors, the Prepetition Agents and the Prepetition First Lien Indenture Trustees consent to a hearing on an expedited basis at which the only permissible basis for the Debtors, the Creditors' Committee, or any other party to contest, challenge or object to a Cash Collateral Enforcement Notice shall be solely with respect to the validity of the Cash Collateral Termination Event(s) giving rise to such Cash Collateral Enforcement Notice (*i.e.* whether such Cash Collateral Termination Event validly occurred and has not been cured or waived

in accordance with this Final Order); *provided, further* that if a hearing to consider the foregoing is requested to be heard before the end of the Cash Collateral Notice Period but is scheduled for a later date by the Court, the Cash Collateral Notice Period shall be automatically extended to the date of such hearing.

20. Intercreditor Agreement. Pursuant to section 510 of the Bankruptcy Code, the Collateral Agency and Intercreditor Agreement and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Secured Debt Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties, and (iii) shall not be deemed to be amended, altered, or modified by the terms of this Final Order.

21. No Waiver for Failure to Seek Relief. The failure or delay of the DIP Agent, the DIP Lenders, or any of the Prepetition Secured Parties to exercise rights and remedies under this Final Order, the DIP Documents, the Prepetition Secured Debt Documents, or applicable law, as the case may be, shall not constitute a waiver of their respective rights hereunder, thereunder, or otherwise.

22. Preservation of Rights Granted Under this Final Order.

(a) Subject to the Carve Out, other than as set forth in this Final Order, neither the DIP Liens nor the Adequate Protection Liens shall be made subject to or *pari passu* with any lien or security interest granted in any of the Cases or arising after the Petition Date, and neither the DIP Liens nor the Adequate Protection Liens shall be subject or junior to any lien or security

interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code.

(b) In the event this Final Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise, any liens or claims granted to the Prepetition Secured Parties hereunder arising prior to the effective date of any such vacatur, reversal, or modification of this Final Order shall be governed in all respects by the original provisions of this Final Order, including entitlement to all rights, remedies, privileges, and benefits granted herein, and the Prepetition Secured Parties shall be entitled to the protections afforded in section 364(e) of the Bankruptcy Code with respect to all uses of the Prepetition Collateral (including the Cash Collateral) and all Adequate Protection Obligations.

(c) Subject to the Carve Out, unless and until all DIP Obligations, Prepetition First Lien Obligations, and Adequate Protection Obligations are indefeasibly paid in full, in cash, and all commitments under the DIP Facility are terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (i) except as permitted under the DIP Documents or with the prior written consent of the DIP Agent and the Required Lenders (x) any modification, stay, vacatur, or amendment of this Final Order, (y) a priority claim for any administrative expense, secured claim or unsecured claim against any of the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation, any administrative expense of the kind specified in sections 503(b), 507(a), or 507(b) of the Bankruptcy Code) in any of the Cases, equal or superior to the DIP Superpriority Claims, the Adequate Protection Claims, and the Prepetition First Lien Obligations (or the liens and security interests secured such claims and obligations), or (z) any other order allowing use of the DIP Collateral; (ii) except as permitted under the DIP Documents, any lien on any of the DIP Collateral

or the Prepetition Collateral with priority equal or superior to the DIP Liens, the Adequate Protection Liens, or the Prepetition Liens, as the case may be; (iii) the use of Cash Collateral for any purpose other than as permitted in the DIP Documents and this Final Order; (iv) an order converting or dismissing any of the Cases; (v) an order appointing a chapter 11 trustee in any of the Cases; or (vi) an order appointing an examiner with expanded powers in any of the Cases.

(d) Notwithstanding any order dismissing the Cases under section 1112 of the Bankruptcy Code or otherwise entered at any time, (x) the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Claims, and the other administrative claims granted pursuant to this Final Order shall continue in full force and effect and shall maintain their priorities as provided in this Final Order until all DIP Obligations and Adequate Protection Obligations are indefeasibly paid in full, in cash (and such DIP Liens, DIP Superpriority Claims, Adequate Protection Liens, Adequate Protection Claims, and the other administrative claims granted pursuant to this Final Order, shall notwithstanding such dismissal, remain binding on all parties in interest); and (y) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in clause (x) above.

(e) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Claims, and all other rights and remedies of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties granted by the provisions of the Interim Cash Collateral Order, this Final Order and the DIP Documents shall survive, shall maintain their priority as provided in the Interim Cash Collateral Order and this Final Order, and shall not be modified, impaired or discharged by (i) the entry of an order converting any of the Cases to a case under chapter 7,

dismissing any of the Cases, terminating the joint administration of the Cases or by any other act or omission, (ii) the entry of an order approving the sale of any Prepetition Collateral or DIP Collateral pursuant to section 363(b) of the Bankruptcy Code, or (iii) the entry of an order confirming a plan of reorganization in any of the Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Debtors have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of this Final Order and the DIP Documents shall continue in the Cases, in any Successor Cases if the Cases cease to be jointly administered, or in any superseding chapter 7 cases under the Bankruptcy Code. The DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, and the Adequate Protection Claims and all other rights and remedies of the DIP Agent, DIP Lenders and the Prepetition Secured Parties granted by the provisions of this Final Order shall continue in full force and effect until the DIP Obligations and the Adequate Protection Obligations are indefeasibly paid in full, in cash (or, with respect to the DIP Obligations, otherwise satisfied in a manner agreed to by the Lenders set forth in the definition of “Acceptable Plan” (as defined in the DIP Credit Agreement)). Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the DIP Documents shall affect any right of any DIP Lender to object to any chapter 11 plan that does not pay the DIP Obligations and DIP Superpriority Claims in full, and all such rights are expressly preserved.

23. Expenses and Indemnification.

(a) The DIP Debtors are authorized and directed to pay, without further Court order, the reasonable and documented fees and expenses incurred by professionals or consultants retained by the DIP Agent and the DIP Lenders, including the fees and expenses of professionals retained by the Intelsat Jackson Ad Hoc Group, (collectively, the “DIP Professionals”), incurred in

connection with the Cases (in any capacity) and the DIP Facility, whether or not the DIP Facility is successfully consummated, including the reasonable and documented out-of-pocket expenses (including, without limitation, fees, disbursements and other charges of DIP Professionals) of the DIP Agent and the DIP Lenders, for enforcement costs and documentary taxes associated with the DIP Facility and the transactions contemplated thereby (collectively, the “DIP Professional Fees”). The DIP Professionals shall not be required to comply with the U.S. Trustee fee guidelines, *provided, however* that any time such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine) to the Fee Notice Parties. If no objection to payment of the requested DIP Professional Fees and expenses is made, in writing, by any of the Fee Notice Parties within the Fee Objection Period, then such invoice shall be promptly paid, without further order of, or application to, the Court or notice to any other party, and, in any case, within five (5) calendar days following the expiration of the Fee Objection Period and shall not be subject to any further review, challenge, or disgorgement. For the avoidance of doubt, the provision of such invoices shall not constitute a waiver of attorney-client privilege or any benefits of the attorney work product doctrine. If within the Fee Objection Period, a Fee Notice Party sends to the affected professional and files with the Court a written objection to such invoice, then only

the disputed portion of such DIP Professional Fees shall not be paid until the objection is resolved by the applicable parties in good faith or by order of the Court.

(b) As set forth in the DIP Facility, the DIP Debtors will, jointly and severally, indemnify the DIP Lenders and the DIP Agent, and their respective affiliates, successors and assigns and the officers, directors, employees, agents, advisors, counsel, controlling persons, and members of each of the foregoing (each an “Indemnified Person”), and hold them harmless from and against any and all losses, claims, damages, costs, expenses (including but not limited to reasonable and documented legal fees and expenses), and liabilities arising out of or relating to the execution or delivery of the DIP Credit Agreement and other DIP Documents, transactions contemplated hereby and thereby, and any actual or proposed use of the proceeds of any loans made under the DIP Facility in accordance with the terms of the DIP Credit Agreement; *provided* that no such person will be indemnified for costs, expenses, or liabilities to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred by reason of the actual fraud, gross negligence, or willful misconduct of such person (or their related persons). No Indemnified Person shall have any liability (whether direct or indirect, in contract, tort or otherwise) to the Debtors or any shareholders or creditors of the Debtors for or in connection with the transactions contemplated hereby, except to the extent such liability is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person’s actual fraud, gross negligence, or willful misconduct, and in no event shall any Indemnified Person be liable on any theory of liability for any special, indirect, consequential, or punitive damages.

24. Limitation on Use of DIP Facility Proceeds, DIP Collateral, and Cash Collateral.

Except as provided herein, none of the DIP Facility, the DIP Collateral, the Prepetition Collateral or the proceeds thereof, including Cash Collateral, or the Carve Out may be used: (i) to investigate, initiate, prosecute, join, or finance the initiation or prosecution of any claim, counterclaim, action, suit, arbitration, proceeding, application, motion, objection, defense, or other litigation of any type (a) against any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such) under the DIP Documents, this Final Order, or the Prepetition Secured Debt Documents, including, without limitation, for the payment of any services rendered by the professionals retained by the Debtors or any Creditors' Committee in connection with the assertion of or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defense, or other contested matter, the purpose of which is to seek, or the result of which would be to obtain, any order, judgment, determination, declaration, or similar relief that would impair the ability of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to recover on the DIP Collateral or the Prepetition Collateral, or seeking affirmative relief against any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties related to the DIP Obligations, or the Prepetition First Lien Obligations, (b) seeking to invalidate, set aside, avoid, or subordinate, in whole or in part, the DIP Obligations, the DIP Superpriority Claims, or the DIP Agent's and the DIP Lenders' liens or security interests in the DIP Collateral or the Prepetition First Lien Obligations or the Prepetition Liens in the Prepetition Collateral, or (c) for monetary, injunctive, or other affirmative relief against the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such), or their respective liens on or security interests in the DIP Collateral or the Prepetition Collateral, or the DIP Superpriority Claims, that would impair the ability of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to assert or

enforce any lien, claim, right, or security interest or to realize or recover on the DIP Obligations or the Prepetition First Lien Obligations to the extent permitted or provided hereunder; (ii) for objecting to or challenging in any way the legality, validity, extent, priority, perfection, or enforceability of the claims, liens, or interests (including the Prepetition Liens) held by or on behalf of each of the Prepetition Secured Parties related to the Prepetition First Lien Obligations or by or on behalf of the DIP Agent and the DIP Lenders related to the DIP Obligations; (iii) for asserting, commencing, or prosecuting any claims or causes of action whatsoever, including, without limitation, any Avoidance Actions related to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, the Prepetition First Lien Obligations, or the Prepetition Liens; and (iv) for prosecuting an objection to, contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of: (x) any of the DIP Liens, the DIP Superpriority Claims, or any other rights or interests of the DIP Agent or the DIP Lenders related to the DIP Obligations or the DIP Liens, or (y) any of the Prepetition Liens or any other rights or interests of any of the Prepetition Secured Parties related to the Prepetition First Lien Obligations or the Prepetition Liens; *provided*, the foregoing limitation shall not apply to the use of proceeds by the Debtors or the Creditors' Committee regarding the Prepetition Secured Parties' entitlement to default interest as set forth in paragraph 13(d) hereof; *provided* that no more than \$300,000.00 of the proceeds of the DIP Facility, the DIP Collateral or the Prepetition Collateral, including the Cash Collateral, in the aggregate, including any proceeds of the Prepetition Collateral utilized between the Petition Date and the date of entry of this Final Order, may be used by the Creditors' Committee to investigate the foregoing matters within the Challenge Period (the "Challenge Budget").

25. Letters of Credit Collateral Accounts. Any existing letters of credit, including those letters of credit issued to certain creditors of the Debtors by the Issuing Banks, shall continue to govern the postpetition cash management relationship between the Debtors and such counterparties, and all of the provisions of such letters of credit, including, without limitation, the termination and fee provisions, shall remain in full force and effect unless otherwise ordered by the Court. The Debtors are authorized, but not directed, to continue the existing letters of credit, including the following letters of credit at Bank of America (the “BofA Letters of Credit”):

LC number	Annual Expiry	Final Expiry	LC currency	LC amount (USD)	Collateral requirement	Collateral amount (USD)
68059909	12/6/2020	12/6/2021	USD	\$7,740,000.00	1.05	\$8,127,000.00
68062230	6/15/2020	6/15/2020	USD	43,000,000.00	1.05	\$4,200,000.00
68103471	5/1/2021	5/1/2021	EUR	\$768,880.00	1.15	\$884,212.00
68167676	4/30/2021	4/30/2025	EUR	\$118,690.91	1.15	\$136,494.55

The Debtors are further authorized to continue to use the letters of credit under those certain letter of credit agreements with Bank of America, subject to the terms and conditions thereof and further subject to this Final Order, and related documents pursuant to which the letters of credit are included as obligations thereunder. The Debtors are further authorized, but not directed, to continue operating the Collateral Accounts, which serves as a collateral account for certain obligations under the BofA Letters of Credit in the ordinary course of business in accordance with this Final Order, and any prepetition security interest in the BofA Collateral Account held by Bank of America shall continue. The terms and conditions of the prepetition BofA Letter of Credit agreements shall remain in effect, the BofA Collateral Account shall continue to secure all prepetition obligations with respect to the BofA Letters of Credit and the BofA Collateral Account

shall also secure all obligations with respect to the BofA Letters of Credit arising postpetition, without any additional documentation executed between the Debtors and Bank of America. Bank of America may rely on the representations of the Debtors with respect to the BofA Letters of Credit, and Bank of America shall not have any liability to any party for relying on such representations by the Debtors as provided for herein. In the event that the BofA Letters of Credit are drawn upon, Bank of America is authorized, in its discretion, to terminate the BofA Card Program and/or seek payment for the amount of any unpaid obligations in respect of the BofA Letters of Credit without further order of the Court; *provided*, however, that any such termination must be consistent with the terms and provisions of the BofA Letter of Credit agreements. The Debtors are further authorized to issue new letters of credit, parent and bank guarantees, and performance bonds or guarantees, to third parties on a postpetition basis in the ordinary course of business and consistent with their prepetition practices.

26. Effect of Stipulations on Third Parties.

(a) The Debtors' acknowledgments, stipulations, admissions, waivers, and releases set forth in this Final Order shall be binding on the Debtors, their respective representatives, successor and assigns. The acknowledgments, stipulations, admissions, waivers, and releases contained in this Final Order shall also be binding upon the Debtors' estates and all other parties in interest, including the Creditors' Committee, or any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors (a "Trustee"), unless (i) such party with requisite standing granted by an order of this Court (or such other court of competent jurisdiction), has duly filed an adversary proceeding challenging the validity, perfection, priority, extent, or enforceability of the Prepetition Liens, or the Prepetition First Lien Obligations, or otherwise asserting or prosecuting any Avoidance Actions or any other claims, counterclaims or causes of action,

objections, contests, or defenses (each such proceeding or contested matter, a “Challenge”) against the Prepetition Secured Parties in connection with any matter related to the Prepetition Collateral, the Prepetition Liens or the Prepetition First Lien Obligations by no later than (a) with respect to the Creditors’ Committee the date that is 120 days after the Creditors’ Committee’s formation or (b) with respect to other parties in interest, no later than the date that is 75 days after the Petition Date (the time period established by the later of the foregoing clauses (a) and (b), the “Challenge Period”); *provided that*, if the Creditors’ Committee files a motion for standing to prosecute any Challenge prior to expiration of the Challenge Period, the Challenge Period shall be tolled for the Creditors’ Committee, solely with respect to the Challenge specifically identified in such motion, pending a final order of the Court’s resolving the motion, or as otherwise agreed by the Creditors’ Committee on one hand, and the Debtors and the Prepetition Agents and the Prepetition Indenture Trustees, as applicable, on the other hand; *provided that* in the event that, prior to the expiration of the Challenge Period, (x) the Cases are converted to cases under chapter 7 of the Bankruptcy Code or (y) a chapter 11 trustee is appointed in the Cases, then in each such case, the Challenge Period shall be extended for a period of 15 days solely with respect to any Trustee, commencing on the occurrence of either of the events described in the foregoing clauses (x) and (y); and (ii) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the plaintiff sustaining any such challenge or claim in any such duly filed adversary proceeding. If no such adversary proceeding is timely filed prior to the expiration of the Challenge Period, without further order of this Court: (x) the Prepetition First Lien Obligations shall constitute allowed claims, not subject to any Challenge (whether characterized as a counterclaim, setoff, subordination, recharacterization, defense, avoidance, contest, attack, objection, recoupment, reclassification, reduction, disallowance, recovery, disgorgement,

attachment, “claim” (as defined by section 101(5) of the Bankruptcy Code), impairment, subordination (whether equitable, contractual or otherwise), or other challenge of any kind pursuant to the Bankruptcy Code or applicable non-bankruptcy law), for all purposes in the Cases and any subsequent chapter 7 cases, if any; (y) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected and of the priority specified in paragraph F, not subject to setoff, subordination, defense, avoidance, impairment, disallowance, recharacterization, reduction, recoupment, or recovery; and (z) the Prepetition First Lien Obligations, the Prepetition Liens on the Prepetition Collateral and the Prepetition Secured Parties (in their capacities as such) shall not be subject to any other or further challenge and any party in interest shall be forever enjoined and barred from seeking to exercise the rights of the Debtors’ estates or taking any such action, including any successor thereto (including any estate representative or a Trustee, whether such Trustee is appointed or elected prior to or following the expiration of the Challenge Period). If any such adversary proceeding is timely filed as provided above prior to the expiration of the Challenge Period, (i) the stipulations and admissions contained in this Final Order shall nonetheless remain binding and preclusive on the Creditors’ Committee and any other party in the Cases, including any Trustee, except as to any stipulations or admissions that are specifically and expressly challenged in such adversary proceeding and (ii) any Challenge not brought in such adversary proceeding shall be forever barred; *provided* that, if and to the extent any challenges to a particular stipulation or admission are withdrawn, denied or overruled by a final non-appealable order, such stipulation also shall be binding on the Debtors’ estates and all parties in interest. The Challenge Period may be extended in writing from time to time at the discretion of both the Prepetition Agents and the Debtors or by order of the Court for cause shown

after notice and an opportunity to be heard; *provided* that any such motion for an order to extend the Challenge Period is filed with the Court prior to the expiration of the Challenge Period.

(b) Subject to paragraph 26(a), nothing in this Final Order vests or confers on any person (as defined in the Bankruptcy Code), including any Creditors' Committee, standing or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, any challenge with respect to the Prepetition Secured Debt Documents or the Prepetition First Lien Obligations.

27. Release. Effective as of the date of this Final Order, each of the Debtors and the Debtors' estates, on its own behalf and on behalf of its past, present, and future predecessors, successors, heirs, subsidiaries, and assigns, hereby absolutely, unconditionally, and irrevocably releases and forever discharges and acquits the DIP Agent and DIP Lenders and their Representatives, solely in their capacities as such, (collectively, the "Released Parties"), from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, defenses, offsets, debts, accounts, contracts, liabilities, actions, and causes of action arising prior to the Petition Date (collectively, the "Released Claims") of any kind, nature or description, whether matured or unmatured, known or unknown, asserted or unasserted, foreseen or unforeseen, accrued or unaccrued, suspected or unsuspected, liquidated or unliquidated, pending or threatened, arising in law or equity, upon contract tort or under any state or federal law or otherwise, arising out of or related to the DIP Facility, the DIP Obligations, the DIP Liens, the DIP Documents, the obligations owing and the financial obligations made thereunder, the negotiation thereof and of the deal reflected thereby, and the obligations and financial obligations made thereunder, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released

Parties for or by reason of any act, omission, matter, cause, or thing whatsoever arising at any time on or prior to the date of this Final Order.

28. Hispasat. Nothing in this Final Order shall prejudice or impair the rights of Hispasat S.A., Hispasat Brasil, and Hispasat Canarias (collectively, “Hispasat”), and all of Hispasat’s rights (and any claims resulting therefrom) are expressly reserved with respect to seeking a determination as to whether (1) funds received by the Debtors from Global Village Telecom Ltda. and its affiliates (collectively “GVT”) in connection with the sublease of Hispasat Transponders, as defined in that certain Strategic Cooperation Agreement, dated February 19, 2014, between Hispasat, Intelsat Jackson (as assignee of Intelsat Operations S.A.), and Intelsat Brazil Ltda. (as such agreement may have been amended from time to time), are property of the Debtors’ estates under section 541 of the Bankruptcy Code over which the DIP Lenders, DIP Agent, and Prepetition Secured Parties have a perfected security interest and (2) such funds are held in trust for the sole benefit of Hispasat.

29. Insurance. At all times the Debtors shall maintain casualty and loss insurance coverage for the Prepetition Collateral and the DIP Collateral on substantially the same basis as maintained prior to the Petition Date. Upon entry of this Final Order, the DIP Agent is, and will be deemed to be, without any further action or notice, named as an additional insured and lender’s loss payee on each insurance policy maintained by the Debtors which in any way relates to the DIP Collateral.

30. Surety. Nothing in this Final Order, the DIP Facility, or the DIP Documents shall in any way prime or affect the rights of Chubb Seguros Chile, S.A., Westchester Fire Insurance Company, and ACE Property and Casualty Insurance Company or its past, present or future affiliated sureties (individually and collectively hereafter referred to as the “Surety”) as to: (a) any

funds it is holding and/or being held for it presently or in the future, whether in trust, as security, or otherwise, including any proceeds due or to become due to any of the Debtors in relation to contracts or obligations for which the Surety has issued or may in the future issue any bond or related instrument; (b) any substitutions or replacements of said funds including accretions to and interest earned on said funds; or (c) any letter of credit related to any indemnity collateral trust, bond, or agreements between or involving the Surety and any of the Debtors (collectively (a) to (c), the “Surety Assets”). Nothing in this Final Order, the DIP Facility, or the DIP Documents shall affect the rights of the Surety under any current or future indemnity, collateral, trust, or related agreements between or involving the Surety and any of the Debtors as to the Surety Assets or otherwise, including, but not limited to, the Agreements of Indemnity executed by certain of the Debtors on or about January 13, 2009. In addition, nothing in this Final Order, the DIP Facility, or the DIP Documents shall prime or otherwise impact: (x) current or future setoff and/or recoupment rights and/or the lien rights of the Surety or any party to whose rights the Surety has or may be subrogated; and/or (y) any existing or future subrogation or other common law rights of the Surety. To the extent that any Surety Assets are being held by the Debtors and are used by the Debtors as part of cash collateral, a concomitant replacement trust claim or replacement lien shall be granted to the Surety equal to the amount of trust funds used, and any replacement lien to have the same priority, amount, extent, and validity as existed as of the Petition Date. In addition, notwithstanding anything in this Final Order, the DIP Facility, or the DIP Documents to the contrary, the rights, claims, and defenses of the Debtors and of the Surety, including, but not limited to, the Surety’s rights under any properly perfected lien and claims and/or claim for equitable rights of subrogation, and rights of the Debtors and of any successors in interest to any of the Debtors and any creditors, to object to any such liens, claims and/or equitable subrogation and other rights,

are fully preserved. Nothing herein is an admission by the Surety or the Debtors, or a determination by the Court, regarding any claims under any bonds, and the Surety and the Debtors reserve any and all rights, remedies, and defenses in connection therewith.

31. Credit Bidding. (i) The DIP Agent, or any assignee or designee of the DIP Agent, acting at the direction of the Required Lenders and on behalf of the DIP Lenders, shall have the unqualified right to credit bid up to the full amount of any DIP Obligations in any sale of any of the Debtors' assets, including pursuant to (a) section 363 of the Bankruptcy Code, (b) a plan of reorganization or a plan of liquidation under section 1129 of the Bankruptcy Code, or (c) a sale or disposition by a chapter 7 trustee for any Debtor under section 725 of the Bankruptcy Code and (ii) subject to the indefeasible payment in full in cash of the DIP Obligations and termination of any commitments under the DIP Facility, the Prepetition Agents (on behalf of the Prepetition First Lien Lenders and Prepetition First Lien Noteholders) shall have the right to credit bid (x) up to the full amount of the Prepetition First Lien Obligations and (y) the Adequate Protection Obligations in the sale of any of the Debtors' assets, including, but not limited to, pursuant to (a) section 363 of the Bankruptcy Code, (b) a plan of reorganization or a plan of liquidation under section 1129 of the Bankruptcy Code, or (c) a sale or disposition by a chapter 7 trustee for any Debtor under section 725 of the Bankruptcy Code. The DIP Agent, at the direction of the Required Lenders, on behalf of the DIP Lenders, shall have the absolute right to assign, sell, or otherwise dispose of its right to credit bid in connection with any credit bid by or on behalf of the DIP Secured Parties to any acquisition entity or joint venture formed in connection with such bid. Except for the amount of any credit bid in accordance with this paragraph 29, nothing in this Final Order or the DIP Documents shall impair or adversely affect the right of the U.S. Trustee to object to any credit bid for cause under section 363(k) of the Bankruptcy Code.

32. Final Order Governs. In the event of any inconsistency between the provisions of the DIP Documents and this Final Order, the provisions of this Final Order shall govern.

33. Binding Effect; Successors and Assigns. The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in the Cases, including, without limitation, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, the Creditors' Committee, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties, *provided* that, except to the extent expressly set forth in this Final Order, the Prepetition Secured Parties shall have no obligation to permit the use of Cash Collateral or to extend any financing to any chapter 7 trustee or similar responsible person appointed for the estates of the Debtors.

34. Limitation of Liability. In determining to make any loan under the DIP Documents, permitting the use of Cash Collateral, or exercising any rights or remedies as and when permitted pursuant to this Final Order, the DIP Documents, the Prepetition Secured Debt Documents, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall not be deemed to be in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors or their respective business, nor shall they owe any fiduciary duty to any of the Debtors, their creditors or estates, or constitute or be deemed to constitute a joint venture or partnership with any of the Debtors. Furthermore, nothing in this Final Order, the DIP Documents or the Prepetition Secured Debt Documents shall

in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders or the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in section 101(2) of the Bankruptcy Code).

35. Master Proofs of Claim. Notwithstanding anything to the contrary in the Motion or this Final Order, the Prepetition Agents and Prepetition First Lien Indenture Trustees, together with any other such agents or trustees referenced in this Final Order, are each authorized, but not directed or required, to file one master proof of claim on behalf of themselves and the Prepetition Secured Parties, as applicable, on account of any and all of the respective claims arising under the Prepetition Secured Debt Documents, as applicable, and hereunder (the “Master Proof of Claim”). For administrative convenience, any Master Proof of Claim authorized herein may be filed in the case of Debtor Intelsat Jackson Holdings, S.A. with respect to all amounts asserted in such Master Proof of Claim, and such Master Proof of Claim shall be deemed to be filed and asserted by the applicable entity or entities against every Debtor asserted to be liable for the applicable claim. No authorized Master Proof of Claim shall be disallowed, reduced, or expunged on the basis that it is filed only against Debtor Intelsat Jackson Holdings, S.A. and not in an applicable individual Debtor’s case. For the avoidance of doubt, the provisions set forth in this paragraph and any Master Proof of Claim filed pursuant to the terms hereof are intended solely for the purpose of administrative convenience and shall not affect the substantive rights of any party in interest or their respective successors in interest, including, without limitation, the numerosity requirements set forth in section 1126 of the Bankruptcy Code. The Prepetition Agents and Prepetition First Lien Indenture Trustees shall not be required to attach any instruments, agreements, or other documents evidencing the obligations owing by each of the Debtors to the Prepetition Secured

Parties, as applicable, which instruments, agreements, or other documents will be provided upon written request to counsel to the Prepetition Agents or Prepetition First Lien Indenture Trustees, as applicable.

36. Effectiveness. This Final Order shall constitute findings of fact and conclusions of law and shall take effect as of the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(g), 6006(d), 7062 or 9024 or any other Bankruptcy Rule, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

2.10. Increased Costs, Illegality, etc.

(a) In the event that any Lender shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBOR Loans (other than any such increase or reduction attributable to Indemnified Taxes and Other Taxes indemnifiable under Section 5.4 and Excluded Taxes) because of (x) any change since the Signing Date in any applicable law, governmental rule, regulation, guideline or order (or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, guideline or order), such as, for example, without limitation, a change in official reserve requirements, and/or (y) other circumstances affecting the interbank LIBOR market or the position of such Lender in such market; or

(ii) at any time, that the making or continuance of any LIBOR Loan has become unlawful by compliance by such Lender in good faith with any law, governmental rule, regulation, guideline or order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Signing Date that materially and adversely affects the interbank LIBOR market;

then, and in any such event, such Lender shall within a reasonable time thereafter give notice to the Borrower and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, the Borrower shall pay to such Lender, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its reasonable discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts receivable hereunder

(it being agreed that a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto) and (y) in the case of clause (ii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBOR Loan is affected by the circumstances described in Section 2.10(a)(i) or (ii), the Borrower may (and in the case of a LIBOR Loan affected pursuant to Section 2.10(a)(ii) shall) either (x) if the affected LIBOR Loan is then being made pursuant to a Borrowing, cancel said Borrowing by giving the Administrative Agent written notice thereof on the same date that the Borrower was notified by a Lender pursuant to Section 2.10(a)(i) or (ii) or (y) if the affected LIBOR Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such LIBOR Term Loan into an ABR Loan; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If, after the Signing Date, the adoption of any applicable law, rule or regulation regarding capital adequacy, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, the National Association of Insurance Commissioners, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by a Lender or its parent with any request or directive made or adopted after the Signing Date regarding capital adequacy (whether or not having the force of law) of any such authority, association, central bank or comparable agency, has or would have the effect of reducing the rate of return on such Lender's or its parent's or its Affiliate's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or its Affiliate could have achieved but for such adoption, effectiveness, change or compliance (taking into consideration such Lender's or its parent's policies with respect to capital adequacy), then from time to time, promptly after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or its parent for such reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any such law, rule or regulation as in effect on the Signing Date. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon receipt of such notice. For the avoidance of doubt, this Section 2.10(c) shall apply to all requests, rules, guidelines or directives concerning capital adequacy issued in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives concerning capital adequacy promulgated by the United States financial regulatory authorities (including regulations implementing the recommendations of the Bank for International Settlements), regardless of the date adopted, issued, promulgated or implemented.

(d) It is understood that to the extent duplicative of Section 5.4, this Section 2.10 shall not apply to Taxes.

2.11. Compensation. If (a) any payment of principal of any LIBOR Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such LIBOR Loan as a result of a payment or conversion pursuant to Section 2.5, 2.6, 2.10, 5.1, 5.2 or 14.7, as a result of acceleration of the maturity of the Loans pursuant to Section 12 or for any other reason, (b) any Borrowing of LIBOR Loans is not made as a result of a withdrawn Notice of Borrowing, (c) any ABR Loan is not converted into a LIBOR Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any LIBOR Loan is not continued as an LIBOR Loan, as the case may be, as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of any LIBOR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Section 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to convert, failure to continue or failure to prepay, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such LIBOR Loan.

2.12. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(a)(i), 2.10(a)(ii), 2.10(b), 3.5 or 5.4 with respect to such Lender, it will, if requested by the Borrower use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Section 2.10, 3.5 or 5.4.

2.13. Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Section 2.10, 2.11, 3.5 or 5.4 is given by any Lender more than 90 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, tax or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Section 2.10, 2.11, 3.5 or 5.4, as the case may be, for any such amounts incurred or accruing prior to the 91st day prior to the giving of such notice to the Borrower.

2.14. Inability to Determine Rates.

(a) If prior to the commencement of any Interest Period for a LIBOR Rate Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the LIBO Rate for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by facsimile, telephone or electronic means as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Notice of Conversion or Continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBO Rate Borrowing shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, and (ii) if any Notice of Borrowing requests a LIBO Rate Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) Notwithstanding anything to the contrary in this Agreement or the other Credit Documents, if at any time there ceases to exist a LIBO Rate or other interbank rate in the London Market regulated or otherwise overseen or authorized by the ICE Benchmark Administration or U.K. Financial Conduct Authority for interest periods greater than one (1) Business Day or the Administrative Agent determines in good faith (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.14(a)(i) or (ii) above have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances above have not arisen but the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for fixed periods for syndicated loans in the United States at such time, and they shall enter into an amendment to the Credit Documents to reflect such alternate rate of interest and such other related changes as may be applicable and that are agreed by the Borrower and the Administrative Agent at such time, and shall include any technical, administrative or operational changes that the Administrative Agent reasonably requests and that are acceptable to the Borrower to reflect the adoption and implementation of such alternate rate of interest and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice; provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for purposes of this Agreement. Notwithstanding anything to the contrary in the Credit Documents, such amendment shall become effective without any further action or consent of any other party to Credit Documents so long as the Administrative Agent shall not have received, within five (5)

Business Days of the date that notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that they object to such amendment.

2.15. [Reserved].

2.16. MIRE Event. Notwithstanding anything to the contrary herein, the making, increasing, extension or renewal of any Loans pursuant to this Agreement shall be subject to flood insurance due diligence and flood insurance compliance in accordance with Section 9.3(c) hereto and shall otherwise be reasonably satisfactory to the Administrative Agent and the Lenders.

SECTION 3. Priority and Liens.

3.1. DIP Liens. Subject to the Carve Out, the Obligations shall be secured by valid, binding, continuing enforceable, fully-perfected, non-avoidable, automatically and properly perfected Liens on, and security interests in (such liens and security interests, the "DIP Liens"), all present and after acquired property (whether tangible, intangible, real, personal or mixed) of the DIP Debtors wherever located, including, without limitation, all accounts, as-extracted collateral, deposit accounts, cash and cash equivalents, inventory, equipment, capital stock in subsidiaries of the DIP Debtors, and the proceeds thereof, investment property, instruments, chattel paper, real estate, leasehold rights and leasehold interests, contracts, patents, copyrights, trademarks and other general intangibles, and all products and proceeds thereof, including proceeds from any directors/officers' insurance policies, and including (i) to the maximum extent permitted by law, all rights incident or appurtenant to the FCC Licenses and the right to receive all proceeds derived from or in connection with the sale, assignment or transfer of the FCC Licenses, (ii) the C-Band Payments and (iii) the Avoidance Proceeds (all such property, the "DIP Collateral") as follows:

(a) Pursuant to Bankruptcy Code section 364(c)(2), be secured by a valid, binding, continuing, enforceable, fully-perfected first priority senior security interest in and Lien upon all prepetition and postpetition property of the DIP Debtors, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date is not subject to valid, perfected and non-avoidable Liens (or perfected after the Petition Date to the extent permitted by Bankruptcy Code section 546(b)), including, without limitation, any unencumbered cash of the DIP Debtors (whether maintained with any Agent or otherwise) and any investment of such cash, accounts, inventory, good, contract rights, mineral rights, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, accounts receivable, receivables and receivables records, general intangible, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, intercompany claims, contracts, owned real estate, real property leaseholds, fixtures, deposit accounts, commercial tort claims, securities accounts, instruments, investment property, letter-of-credit rights, supporting obligations, vehicles, machinery and equipment, real property, leases (and proceeds from the disposition thereof), all of the issued and outstanding capital stock of each DIP Debtor, other equity or ownership interests, including equity interests in subsidiaries and non-wholly owned subsidiaries, money, investment property, causes of action (including the Avoidance Proceeds), and all cash and non-cash proceeds, rents, products, substitutions, accessions, profits and supporting obligations of any of the collateral described above, whether in existence on the Petition Date or thereafter created, acquired, or arising and wherever located, subject only to the Carve Out;

(b) Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority priming security interest and Lien (the "Priming Liens") on all prepetition and postpetition property of the DIP Debtors of the same nature, scope, and type as the collateral securing the Prepetition Secured Debt (the "Prepetition Collateral") whether in existence on the Petition Date or thereafter created, acquired, or arising and wherever located, that is subject to any of the Liens securing the obligations under the Prepetition Secured Debt (the "Prepetition Liens"), regardless of whether or not any Prepetition Liens on the assets are voided, avoided, invalidated, lapsed, or unperfected subject only to the Carve Out. The Priming Liens shall prime in all respects the Liens and security interests of the Prepetition Secured Parties, with respect to the Prepetition Secured Debt (including, without limitation, the Prepetition Liens and the Adequate Protection Liens granted to the Prepetition Secured Parties) (the "Primed Liens"). Notwithstanding anything herein to the contrary, the Priming Liens (i) shall be subject and junior to the Carve Out in all respects, (ii) shall be senior in all respects to the Prepetition Liens and (iii) shall also be senior to the Adequate Protection Liens;

(c) Pursuant to section 364(c)(3) of the Bankruptcy Code, be secured by a valid, binding, continuing, enforceable, fully perfected junior priority security interest and Lien on all prepetition and postpetition property of the DIP Debtors to the extent that such assets are subject to valid, perfected and unavoidable Liens in favor of third parties that were in existence immediately prior to the Petition Date (other than the Primed Liens), or to valid and unavoidable Liens in favor of third parties that were in existence immediately prior to the Petition Date that were perfected subsequent to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code (other than Primed Liens), which Liens shall be (a) junior and subordinate to any such valid, perfected, and non-avoidable Liens (other than Primed Liens) in existence immediately prior to the Petition Date and/or (b) any such valid and non-avoidable Liens in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code; provided that nothing in the foregoing shall limit the rights of the DIP Secured Parties under the DIP Documents to the extent any such Liens are not permitted thereunder; and

(d) Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the Obligations shall constitute allowed superpriority administrative expense claims against the DIP Debtors on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the DIP Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims (“Administrative Expense Claims”) arising under sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113, or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment, which allowed claims (the “DIP Superpriority Claims”) shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of the DIP Debtors and all proceeds thereof (excluding claims and causes of action under sections 502(d), 544, 545, 547, 548, and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code (collectively, “Avoidance Actions”) but including any proceeds or property recovered, unencumbered, or otherwise, from Avoidance Actions, whether by judgment, settlement, or otherwise (“Avoidance Proceeds”)) in accordance with the other DIP Documents, subject only to the Carve Out. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code if the Final DIP Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise;

3.2. Primed Liens. The Priming Liens (i) shall be subject and junior to the Carve Out in all respects, (ii) shall be senior in all respects to the interests in such property that secures the obligations in respect of the Primed Liens (such holders, as applicable, the “Primed Parties”) and (iii) shall be senior to any Liens granted after the Petition Date to provide adequate protection in respect of any of the Primed Liens. The Primed Liens shall be primed by and made subject and subordinate to the Carve Out and the Priming Liens, but the Priming Liens shall not prime Liens, if any, to which the Prepetition Liens are subject to on the Petition Date (other than Liens which are themselves Prepetition Liens).

3.3. Lien Priority and Perfection. The relative priorities of the Liens described in this Section 3 with respect to the Collateral shall be as set forth in the Final DIP Order and the Security Agreement. In accordance with the Final DIP Order, all of the Liens described in this Section 3 shall be effective and perfected upon entry of the Final DIP Order, without the necessity of the execution, recordation or filings by the Credit Parties of security agreements, control agreements, pledge agreements, mortgages, intellectual property filings, notice of Liens, financing statements or other similar instruments or documents, or the possession or control by the Collateral Agent of, or over, any Collateral, or take any other action in order to validate or perfect the Liens and security interests granted by or pursuant to this Agreement, the Final DIP Order or any other Credit Document, as set forth in the Final DIP Order; provided, however, subject to the terms hereof, such effectiveness and perfection shall not preclude the Collateral Agent or the Required Lenders from requesting such execution, recordation or filing that the Collateral Agent or the Required Lenders may deem desirable (including any security documents or actions under laws of the applicable foreign jurisdictions).

3.4. Real Estate Liens. Further to Section 3.1 and the Final DIP Order, to secure the full and timely payment and performance of the Obligations, each Credit Party hereby MORTGAGES, GRANTS, BARGAINS, ASSIGNS, SELLS, CONVEYS and CONFIRMS, to the Collateral Agent, for the benefit of the Agents and the ratable benefit of the Secured Parties, the Real Estate and property and interests relating thereto (which, for the avoidance of

doubt, shall include all of such Credit Party's right, title and interest now or hereafter acquired in and to (A) all improvements now owned or hereafter acquired by such Credit Party, (B) all materials, supplies, equipment, apparatus and other items of personal property now owned or hereafter acquired by such Credit Party and now or hereafter attached to, installed in or used in connection with the Real Estate, and all utilities whether or not situated in easements, and all equipment, inventory and other goods in which such Credit Party now has or hereafter acquires any rights or any power to transfer rights and that are or are to become fixtures (as defined in the Uniform Commercial Code) related to the Real Estate, (C) [reserved], (D) all reserves, escrows or impounds and all deposit accounts maintained by such Credit Party with respect to the Real Estate, (E) all leases, licenses, concessions, occupancy agreements or other agreements (written or oral, now or at any time in effect) which grant to any Person a possessory interest in, or the right to use, all or any part of the Real Estate, together with all related security and other deposits, (F) all of the rents, revenues, royalties, income, proceeds, profits, accounts receivable, security and other types of deposits, and other benefits paid or payable by parties to the leases for using, leasing, licensing possessing, operating from, residing in, selling or otherwise enjoying the Real Estate, (G) all other agreements, such as construction contracts, architects' agreements, engineers' contracts, utility contracts, maintenance agreements, management agreements, service contracts, listing agreements, guaranties, warranties, permits, licenses, certificates and entitlements in any way relating to the construction, use, occupancy, operation, maintenance, enjoyment or ownership of the Real Estate, (H) all rights, privileges, tenements, hereditaments, rights-of-way, easements, appendages and appurtenances appertaining to the foregoing, (I) all property tax refunds payable with respect to the Real Estate, (J) all accessions, replacements and substitutions for any of the foregoing and all proceeds thereof, (K) all insurance policies, unearned premiums therefor and proceeds from such policies covering any of the above property now or hereafter acquired by such Credit Party as an insured party, and (L) all awards, damages, remunerations, reimbursements, settlements or compensation heretofore made or hereafter to be made to any Credit Party by any governmental authority pertaining to any condemnation or other taking (or any purchase in lieu thereof) of all or any Real Estate), TO HAVE AND TO HOLD to the Collateral Agent, and such Credit Party does hereby bind itself, its successors and assigns to WARRANT AND FOREVER DEFEND the title to such property, assets and interests unto the Collateral Agent.

3.5. No Discharge; Survival of Claims. Each of the Credit Parties agrees that prior to Payment in Full of the Obligations and termination of the Commitments, (a) its obligations under the Credit Documents shall not be discharged by the entry of an order confirming a Reorganization Plan (and each of the Credit Parties, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) and (b) the DIP Superpriority Claims granted to the Agents and the Lenders pursuant to the Final DIP Order and the DIP Liens granted to the Agents and the Lenders pursuant to the Final DIP Order shall not be affected in any manner by the entry of an order confirming a Reorganization Plan.

3.6. Payment of Obligations. Subject to the Final DIP Order, upon the maturity (whether by acceleration or otherwise) of any of the Obligations of the Credit Parties under this Agreement or any of the other Credit Documents, the Agents and the Lenders shall be entitled to immediate payment of such Obligations without further application to or order of the Bankruptcy Court.

SECTION 4. Fees; Commitments.

4.1. Fees.

(a) [Reserved].

(b) The Borrower agrees to pay to the Administrative Agent for the ratable account of the Lenders entitled thereto, an upfront payment (the "Upfront Payment") in cash (which, at the discretion of the Required Lenders (with written notice provided to the Administrative Agent), may take the form of original issue discount) in an amount equal to 1.5% of (the "Upfront Payment Percentage") of (i) the aggregate principal amount of the Term Loans funded hereunder in respect of the first Borrowing referred to in Section 2.2, which first Upfront Payment shall be earned, due and payable on the date of such first Borrowing and calculated by multiplying the Upfront Payment Percentage by the aggregate principal amount of Term Loans funded by such Lender on the date of such first Borrowing, (ii) the aggregate principal amount of the Term Loans funded hereunder in respect of the second Borrowing referred to in Section 2.2, which second Upfront Payment shall be earned, due and payable on the date of such second Borrowing and calculated by multiplying the Upfront Payment Percentage by the aggregate principal amount of the Term Loans funded by such Lender on the date of such second Borrowing; and (iii) the aggregate principal amount of the Term

Loans funded hereunder in respect of the third Borrowing referred to in Section 2.2, which third Upfront Payment shall be earned, due and payable on the date of such third Borrowing and calculated by multiplying the Upfront Payment Percentage by the aggregate principal amount of the Term Loans funded by such Lender on the date of such third Borrowing; provided that notwithstanding the foregoing, for the avoidance of doubt no applicable original issue discount shall reduce the amount of Obligations required to be prepaid or repaid with respect to the Loans owing hereunder. If any Lender shall fail to fund its Term Loan Commitment upon satisfaction of all applicable conditions precedent, the Upfront Payment with respect to such unfunded amount of the Term Loan Commitment shall be reallocated to any Lender that funds such unfunded Amount.

(c) The Borrower agrees to pay to the Administrative Agent for the ratable account of the Lenders entitled thereto, (i) on the last day of each fiscal quarter prior to the Commitment Termination Date and (ii) on the Commitment Termination Date, a ticking fee with respect to the then Available Term Loan Commitments (the “Ticking Fee”), in arrears, in cash equal to 3.60% per annum multiplied by the amount of the Available Term Loan Commitments accruing from the Final DIP Order Entry Date for any period then ending for which the Ticking Fee shall not have previously been paid.

(d) If the Borrower shall elect to exercise the First Maturity Extension, the Borrower shall pay, to the Administrative Agent for the ratable account of the Lenders entitled thereto, on the date of such election, as fee compensation for such extension of the Scheduled Maturity Date of the Term Loans, an extension fee (the “First Extension Fee”) in cash in an amount equal to 0.50% of the sum of (i) the aggregate principal amount of the Term Loans then outstanding and (ii) the aggregate amount of the then Available Term Loan Commitments.

(e) If the Borrower shall elect to exercise the Second Maturity Extension, the Borrower shall pay, to the Administrative Agent for the ratable account of the Lenders entitled thereto, on the date of such election, as fee compensation for such extension of the Scheduled Maturity Date of the Term Loans, an extension fee (the “Second Extension Fee”) in cash in an amount equal to 0.50% of the sum of (i) the aggregate principal amount of the Term Loans then outstanding and (ii) the aggregate amount of the then Available Term Loan Commitments.

(f) The Borrower agrees to pay the Agents, for their own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the applicable Agents (including pursuant to the Administrative Agent Fee Letter).

(g) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for appropriate distribution in accordance herewith. Once paid, none of the fees shall be refundable under any circumstances. Notwithstanding the foregoing, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 4.1.

4.2. Voluntary Reduction of Term Loan Commitments. Upon at least one Business Day’s prior written notice to the Administrative Agent at the Administrative Agent’s Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower (on behalf of itself) shall have the right, without premium or penalty, on any day, permanently to terminate or reduce the Term Loan Commitments in whole or in part; provided that (a) any such reduction shall apply proportionately and permanently to reduce the Term Loan Commitment of each of the Lenders and (b) any partial reduction pursuant to this Section 4.2 shall be in the amount of at least \$5,000,000.

4.3. Mandatory Termination of Commitments.

(a) The Term Loan Commitments shall be permanently reduced dollar for dollar at the time of funding of any Term Loans thereunder and terminate on the Commitment Termination Date.

(b) The Term Loan Commitments shall be reduced pursuant to Section 5.2(a)(ii) below.

(c) The Term Loan Commitments shall terminate on or after the earliest to occur of (i) 45 days after the Petition Date unless prior to such time the Final DIP Order shall have been entered by the Bankruptcy Court, (ii)(x) prior to the Closing Date, the date when any DIP Debtors file a motion with the Bankruptcy Court for an alternative debtor-in-possession financing or use of cash collateral not contemplated by the Interim Cash Collateral Order and (y)

on and after the Closing Date, the date when any DIP Debtors file a motion with the Bankruptcy Court for an alternative debtor-in-possession financing or use of cash collateral not contemplated by the Interim Cash Collateral Order or Final Cash Collateral Order, as applicable, (iii) the Credit Documents shall not have been executed by the Borrower and the other Credit Parties and the conditions precedent contained in Section 6 of the this Agreement have not been satisfied within eight (8) Business Days after the Final Order Entry Date and (iv) the Borrower's failure to request the initial Borrowing within one (1) Business Day upon all conditions precedent to the initial Borrowing as set forth in this Agreement (other than the delivery of a Notice of Borrowing by the Borrower and other conditions of a nature that shall be satisfied concurrently with the funding of the initial Borrowing) having been satisfied.

SECTION 5. Payments.

5.1. Voluntary Prepayments. The Borrower shall have the right to prepay Term Loans, without premium or penalty, in whole or in part from time to time on the following terms and conditions and subject to clause (b) and (c) below: (a) the Borrower shall give the Administrative Agent and at the Administrative Agent's Office written notice of its intent to make such prepayment, the amount of such prepayment and (in the case of LIBOR Loans) the specific Borrowing(s) pursuant to which made, which notice shall be given by the Borrower no later than (i) 10:00 a.m. (New York City time) one Business Day (or, in the case of LIBOR Loans, three (3) Business Days) prior to, the date of such prepayment and shall promptly be transmitted by the Administrative Agent to each of the Lenders; (b) each partial prepayment of any Borrowing of Term Loans shall be in a multiple of \$1,000,000 and in an aggregate principal amount of at least \$5,000,000; and (c) any prepayment of LIBOR Term Loans pursuant to this Section 5.1 on any day other than the last day of an Interest Period applicable thereto shall be subject to compliance by the Borrower with the applicable provisions of Section 2.11. At the Borrower's election, prepayments of Terms Loans pursuant to this Section 5.1 may be applied pro rata among the Term Loans. Each prepayment in respect of any tranche of Term Loans pursuant to this Section 5.1 shall be applied to reduce Term Loans in such order as the Borrower may determine. At the Borrower's election in connection with any prepayment pursuant to this Section 5.1, such prepayment shall not be applied to any Term Loan of a Defaulting Lender.

5.2. Mandatory Prepayments.

(a) Term Loan Prepayments.

(i) On each occasion that a Prepayment Event (other than a C-Band Prepayment Event) occurs, the Borrower shall, within one Business Day after the occurrence of a Debt Incurrence Prepayment Event and within five Business Days after the occurrence of any other Prepayment Event (other than a C-Band Prepayment Event) and the receipt of Net Cash Proceeds by the Borrower or any Restricted Subsidiary in connection with such Prepayment Event, prepay, in accordance with paragraph (c) below, the principal amount of Term Loans in an amount equal to 100% of the Net Cash Proceeds from such Prepayment Event; provided that any proceeds received in escrow shall not be deemed to be received for purposes of this Section 5.2(a) until such proceeds are released from escrow.

(ii) On the tenth Business Day of each month, the Borrower shall, first, reduce the then Available Term Loan Commitment in an amount equal to 100% of the Net Cash Proceeds of the C-Band Sweep Payment from all C-Band Prepayment Events that occurred during the prior month; and second, to the extent the then Available Term Loan Commitment equals zero (\$0), prepay the principal amount of Term Loans in an amount equal to 100% of the Net Cash Proceeds of the C-Band Sweep Payment from all C-Band Prepayment Events that occurred during the prior month (minus the amount of the Net Cash Proceeds of the C-Band Sweep Payment from the applicable C-Band Prepayment Event that shall have reduced the then Available Term Loan Commitments pursuant to the preceding "first" clause), in each case, in accordance with paragraph (c) below; provided that any proceeds received by the Borrower or any Restricted Subsidiary in escrow shall not be deemed to be received for purposes of this Section 5.2(a)(ii) until such proceeds are released to the Borrower or any Restricted Subsidiary from escrow; provided further that, notwithstanding the foregoing, with respect to each individual month, making the full amount of any such required commitment reduction or prepayment shall only be required to the extent that, after giving pro forma effect to such commitment reduction and/or prepayment, the Liquidity of the Credit Parties on such date would be greater than or equal to \$500,000,000 with such required commitment reduction and/or prepayment amount being reduced for each month to permit the DIP Debtors to maintain pro forma Liquidity of \$500,000,000.

(b) [Reserved].

(c) Application of Prepayment Amounts. Each prepayment of Term Loans and reduction of Available Term Loan Commitments required by Section 5.2(a) shall be applied pro rata among the Term Loans and the Available Term Loan Commitments, as the case may be. With respect to each such prepayment or commitment reduction, the Borrower will, not later than the date specified in Section 5.2(a) for making such prepayment or commitment reduction, give the Administrative Agent written notice requesting that the Administrative Agent provide notice of such prepayment or commitment reduction to each applicable Lender.

(d) Application to Term Loans. With respect to each prepayment of Term Loans required by Section 5.2(a), the Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11.

(e) [Reserved].

(f) [Reserved].

(g) Notwithstanding anything to the contrary contained in this Section 5.2 or elsewhere in this Agreement (including, without limitation, in Section 14.1), each Lender with outstanding Term Loans or Available Term Loan Commitments may reject all (but not less than all) of its applicable share of a mandatory repayment of Term Loans or commitment reduction of the Available Term Loan Commitments which is to be made pursuant to Section 5.2 (such declined amounts, the “Declined Proceeds”) by providing written notice to the Administrative Agent no later than 4:00 P.M. (New York time) on the date which is two Business Days after the date of such notice from the Administrative Agent (and the Administrative Agent shall promptly thereafter notify the Borrower thereof). If any Lender with outstanding Term Loans or Available Term Loan Commitments does not reply to the Administrative Agent within such two Business Day period, such Lender will be deemed to have accepted the total amount of such mandatory prepayment or commitment reduction. Any Declined Proceeds shall be retained by the Borrower.

5.3. Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto, not later than 12:00 Noon (New York City time) on the date when due and shall be made in immediately available funds at the Administrative Agent’s Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrower, it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower’s account at the Administrative Agent’s Office shall constitute the making of such payment to the extent of such funds held in such account. All payments under each Credit Document (whether of principal, interest or otherwise) shall be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 2:00 p.m. (New York City time) on such day) like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto.

(b) Any payments under this Agreement that are made later than 2:00 p.m. (New York City time) shall be deemed to have been made on the next succeeding Business Day. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4. Net Payments.

(a) Any and all payments made by or on behalf of any Credit Party under this Agreement or any other Credit Document shall be made free and clear of, and without deduction or withholding for or on account of, any Indemnified Taxes; provided that if any Credit Party or other applicable withholding agent shall be required by law to deduct or withhold any Indemnified Taxes from such payments, then (i) the sum payable by the applicable Credit Party shall be increased as necessary so that after all required deductions and withholdings have been made (including

deductions or withholdings applicable to additional sums payable under this Section 5.4) the Administrative Agent or any Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall make such deductions or withholdings and (iii) the applicable withholding agent shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. Whenever any Indemnified Taxes are payable by any Credit Party, as promptly as possible thereafter, the Borrower shall send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt (or other evidence acceptable to such Lender, acting reasonably) received by the applicable Credit Party showing payment thereof.

(b) Borrower shall timely pay any Other Taxes.

(c) Borrower shall indemnify and hold harmless the Administrative Agent and each Lender within 15 Business Days after written demand therefor, for the full amount of any Indemnified Taxes imposed on the Administrative Agent or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of any Credit Party hereunder or under any other Credit Document and any Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) A Lender that is entitled to an exemption from or reduction in a withholding tax imposed under the laws of Luxembourg with respect to any payments under this Agreement or any other Credit Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent such properly completed and executed documentation as will permit such payments to be made without withholding or at a reduced rate; provided that such Lender is legally entitled to complete, execute and deliver such documentation. To the extent it is legally entitled to do so, each Lender agrees to use reasonable efforts (consistent with legal and regulatory restrictions and subject to overall policy considerations of such Lender) to file or deliver to the Borrower and the Administrative Agent any certificate or document, as reasonably requested by the Borrower or the Administrative Agent, that may be necessary to establish any available exemption from, or reduction in the amount of, any withholding taxes imposed by a jurisdiction other than Luxembourg; provided, however, that a Lender shall not be required to file or deliver any such certificate or document if in such Lender's reasonable judgment such completion, execution or delivery would be disadvantageous to such Lender or would subject such Lender to any unreimbursed cost.

(e) If the Borrower determines in good faith that a reasonable basis exists for contesting any taxes for which indemnification has been demanded hereunder, the relevant Lender or the Administrative Agent, as applicable, shall cooperate with the Borrower in challenging such taxes at the Borrower's expense if so requested by the Borrower. If any Lender or the Administrative Agent, as applicable, receives a refund of a tax (in cash or applied as an offset against other cash tax liabilities) for which a payment has been made by any Credit Party pursuant to this Agreement, which refund in the good faith judgment of such Lender or Administrative Agent, as the case may be, is attributable to such payment made by such Credit Party, then the Lender or the Administrative Agent, as the case may be, shall reimburse the Borrower for such amount (together with any interest received thereon) as the Lender or Administrative Agent, as the case may be, determines to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any taxes imposed on the refund) than it would have been in if the payment had not been required; provided that the Borrower shall return any such amounts (along with any applicable interest) to the extent that the Administrative Agent or applicable Lender is required to repay any such refund to the applicable taxing authority. A Lender or Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. Neither the Lender nor the Administrative Agent shall be obliged to disclose any information regarding its tax affairs or computations to the Borrower in connection with this paragraph (e) or any other provision of this Section 5.4.

(f) The agreements in this Section 5.4 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

5.5. Computations of Interest and Fees.

(a) Interest on (x) LIBOR Loans shall be calculated on the basis of a 360-day year and (y) ABR Loans shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

(b) Fees shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

5.6. Limit on Rate of Interest.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment which it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules and regulations.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by any applicable law, rule or regulation, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any applicable law, rule or regulation, then the Borrower shall be entitled, by notice in writing to the Administrative Agent to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

SECTION 6. Conditions Precedent to Effectiveness on the Closing Date.

The agreement of each Lender to make any Loan requested to be made by it on or after the Closing Date is subject to the satisfaction of the following conditions precedent:

7.1. No Default; Representations and Warranties. At the time of each Credit Event and also after giving effect thereto (a) no Default or Event of Default shall have occurred and be continuing and (b) all representations and warranties made by any Credit Party contained herein or in the other Credit Documents shall be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the date of such Credit Event (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date).

7.2. Notice of Borrowing. Prior to the making of each Term Loan, the Administrative Agent shall have received a written Notice of Borrowing meeting the requirements of Section 2.3.

SECTION 8. Representations, Warranties and Agreements.

In order to induce the Lenders to enter into this Agreement, to make the Loans as provided for herein, each Credit Party, on behalf of itself and its Restricted Subsidiaries, makes the following representations and warranties to, and agreements with, the Lenders, on the Closing Date and the date of each Credit Event, all of which shall survive the execution and delivery of this Agreement and the making of the Loans:

8.1. Corporate Status. The Borrower and each Material Subsidiary (a) is a duly organized and validly existing corporation or public limited liability company or private limited liability company (as applicable) or other entity in good standing (to the extent that concept exists in the relevant jurisdiction) under the laws of the jurisdiction of its organization and, subject to the entry of the Final DIP Order and any other applicable orders of the Bankruptcy Court and subject to the terms thereof, has the corporate or other organizational power and authority to own its property and assets and to transact the business in which it is engaged and (b) has duly qualified and is authorized to do business and is in good standing in all jurisdictions where it is required to be so qualified, except where the failure to be so qualified could not reasonably be expected to result in a Material Adverse Effect.

Subject to the entry of the Final DIP Order and subject to the terms thereof, each Credit Party has duly executed and delivered each Credit Document to which it is a party and each such Credit Document which is currently in effect constitutes the legal, valid and binding obligation of such Credit Party enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and subject to general principles of equity subject to mandatory Luxembourg law provisions.

8.3. No Violation. Subject to the entry of the Final DIP Order and subject to the terms thereof, each Credit Party, neither the execution, delivery or performance by any Credit Party of the Credit Documents to which it is a party and which is currently in effect nor compliance with the terms and provisions thereof nor the consummation of the transactions contemplated hereby or thereby will (a) contravene any applicable provision of any material law, statute, rule, regulation, order, writ, injunction or decree of any court or governmental instrumentality, (b) except to the extent arising under the documents governing the Prepetition Debt, result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien upon any of the property or assets of the Borrower or any of the Restricted Subsidiaries (other than Liens created under the Credit Documents) pursuant to, the terms of any material indenture (including the Indentures governing the Prepetition Senior Notes and the Prepetition Secured Notes), loan agreement, lease agreement, mortgage, deed of trust, agreement or other material instrument to which the Borrower or any of the Restricted Subsidiaries is a party or by which it or any of its property or assets is bound or (c) violate any provision

of the certificate of incorporation, by-laws or other constitutional documents (to the extent applicable) of the Borrower or any of the Restricted Subsidiaries.

8.4. Litigation. Except for the Cases, there are no actions, suits or proceedings (including Environmental Claims) pending or, to the knowledge of the Borrower, threatened with respect to the Borrower or any of its Subsidiaries that could reasonably be expected to result in a Material Adverse Effect.

8.5. Margin Regulations. Neither the making of any Loan hereunder nor the use of the proceeds thereof will violate the provisions of Regulation T, U or X of the Board.

8.6. Governmental Approvals. Subject to the entry of the Final DIP Order and subject to the terms thereof, the execution, delivery and performance of any Credit Document currently in effect does not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except for (i) such as have been obtained or made and are in full force and effect, (ii) filings and recordings in respect of the Liens created pursuant to the Security Documents, (iii) filings with the United States Patent and Trademark Office and the United States Copyright Office and comparable offices in foreign jurisdictions and equivalent filings in foreign jurisdictions, (iv) such FCC consents, approvals, registrations, and filings as may be required in connection with the exercise of rights under the Security Documents following an Event of Default, (v) such FCC consents, approvals, registrations, and filings as may be required in the ordinary course of business of the Borrower and its Subsidiaries in connection with the use of proceeds of the Loans hereunder, (vi) such licenses, approvals, authorizations and consents as may be required by the U.S. Department of State pursuant to the International Traffic in Arms Regulations, the U.S. Department of Commerce pursuant to the Export Administration Regulations and the U.S. Department of Treasury pursuant to Foreign Asset Control Regulations in connection with the exercise of rights hereunder and under the Security Documents following an Event of Default, and (vii) such licenses, approvals, authorizations or consents the failure to obtain or make could not reasonably be expected to have a Material Adverse Effect.

8.7. Investment Company Act. The Borrower is not required to register as an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

8.8. True and Complete Disclosure.

(a) None of the factual information and data (taken as a whole) heretofore or contemporaneously furnished by the Borrower, any of the Subsidiaries or any of their respective authorized representatives in writing to the Administrative Agent and/or any Lender in connection with this Agreement for purposes of or in connection with this Agreement or any transaction contemplated herein contained any untrue statement or omitted to state any material fact necessary to make such information and data (taken as a whole) not misleading at such time in light of the circumstances under which such information or data was furnished (subject, in the case of quarterly or interim financial statements, to normal year-end audit adjustments), it being understood and agreed that for purposes of this Section 8.8(a), such factual information and data shall not include projections and pro forma financial information.

(b) The DIP Budget has been based on good faith estimates and assumptions believed by such Persons to be reasonable at the time made, it being recognized by the Lenders that such projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by any such projections may differ significantly from the projected results and such differences may be material.

8.9. Financial Condition; Financial Statements.

(a) The Historical Financial Statements, in each case present or will, when provided, present fairly in all material respects the combined financial position of the Borrower at the respective dates of said information, statements and results of operations for the respective periods covered thereby (subject, in the case of quarterly or interim financial statements, to normal year-end audit adjustments). The financial statements referred to in clause (a) of this Section 8.9 have been prepared in accordance with GAAP consistently applied except to the extent provided in the notes to said financial statements.

(b) There has been no Material Adverse Effect since the Signing Date.

8.10. Tax Returns and Payments.

(a) The Borrower and each of the Subsidiaries has filed all federal income tax returns and all other material tax returns, domestic and foreign, required to be filed by it and has paid all material Taxes payable by it that have become due (including in its capacity as a withholding agent), other than those (a) not yet delinquent or (b) the payment of which are stayed by the Cases, the nonpayment of which is permitted or required by the Bankruptcy Code or that are contested in good faith as to which adequate reserves have been provided in accordance with GAAP and which could not reasonably be expected to result in a Material Adverse Effect. The Borrower and each of the Subsidiaries have paid, or have provided adequate reserves (in the good faith judgment of the management of the Borrower) in accordance with GAAP for the payment of, all material federal, state, provincial and foreign income taxes applicable for all prior fiscal years and for the current fiscal year.

(b) None of the Borrower or any of its Subsidiaries has ever been a party to any understanding or arrangement constituting a “tax shelter” within the meaning of Section 6662(d)(2)(C)(iii) of the Code or within the meaning of Section 6111(c) or Section 6111(d) of the Code as in effect immediately prior to the enactment of the American Jobs Creation of 2004, or has ever “participated” in a “reportable transaction” within the meaning of Treasury Regulation Section 1.6011-4, except as could not reasonably be likely to, individually or in the aggregate, have a Material Adverse Effect.

8.11. Compliance with ERISA.

(a) Each Plan is in compliance with ERISA, the Code and any applicable Requirement of Law; no Reportable Event has occurred (or is reasonably likely to occur) with respect to any Plan; no Plan is insolvent or in reorganization (or is reasonably likely to be insolvent or in reorganization), and no written notice of any such insolvency or reorganization has been given to the Borrower, any Subsidiary or any ERISA Affiliate; no failure to satisfy the minimum funding standard under Section 430 of the Code, whether or not waived, has occurred (or is reasonably expected to occur) with respect to a Plan or failure to make a required contribution to a Multiemployer Plan; none of the Borrower, any Subsidiary or any ERISA Affiliate has incurred (or is reasonably likely expected to incur) any liability to or on account of a Plan pursuant to Section 409, 502(i), 502(l), 515, 4062, 4063, 4064, 4069, 4201 or 4204 of ERISA or Section 4971 or 4975 of the Code or has been notified in writing that it will incur any liability under any of the foregoing Sections with respect to any Plan; no proceedings have been instituted (or are reasonably likely to be instituted) to terminate or to reorganize any Plan or to appoint a trustee to administer any Plan, and no written notice of any such proceedings has been given to the Borrower, any Subsidiary or any ERISA Affiliate; and no Lien imposed under the Code or ERISA on the assets of the Borrower or any Subsidiary or any ERISA Affiliate exists (or is reasonably likely to exist) nor has the Borrower, any Subsidiary or any ERISA Affiliate been notified in writing that such a Lien will be imposed on the assets of the Borrower, any Subsidiary or any ERISA Affiliate on account of any Plan, except to the extent that a breach of any of the representations, warranties or agreements in this Section 8.11 would not result, individually or in the aggregate, in an amount of liability that would be reasonably likely to have a Material Adverse Effect or relates to any matter disclosed in the financial statements of the Borrower contained in the Confidential Information Memorandum. No Plan (other than a multiemployer plan) has an Unfunded Current Liability that would, individually or when taken together with any other liabilities referenced in this Section 8.11, be reasonably likely to have a Material Adverse Effect. With respect to Plans that are multiemployer plans (as defined in Section 3(37) of ERISA), the representations and warranties in this Section 8.11(a), other than any made with respect to (i) liability under Section 4201 or 4204 of ERISA or required contributions to a Multiemployer Plan or (ii) liability for termination or reorganization of such Plans under ERISA, are made to the best knowledge of the Borrower.

(h) Environmental Matters. The Borrower will promptly advise the Lenders in writing after obtaining actual knowledge of any one or more of the following environmental matters, unless such environmental matters would not, individually or when aggregated with all other such matters, be reasonably expected to result in a Material Adverse Effect:

(i) Any pending or threatened Environmental Claim against the Borrower or any of the Subsidiaries or any Real Estate;

(ii) Any condition or occurrence on any Real Estate that (x) could reasonably be expected to result in noncompliance by the Borrower or any of the Subsidiaries with any applicable Environmental Law or (y) could reasonably be anticipated to form the basis of an Environmental Claim against the Borrower or any of the Subsidiaries or any Real Estate;

(iii) Any condition or occurrence on any Real Estate that could reasonably be anticipated to cause such Real Estate to be subject to any restrictions on the ownership, occupancy, use or transferability of such Real Estate under any Environmental Law; and

(iv) The conduct of any investigation, or any removal, remedial or other corrective action in response to the actual or alleged presence, release or threatened release of any Hazardous Material on, at, under or from any Real Estate.

All such notices shall describe in reasonable detail the nature of the claim, investigation, condition, occurrence or removal or remedial action and the response thereto. The term "Real Estate" shall mean land, buildings and improvements owned or leased by the Borrower or any of the Subsidiaries, but excluding all operating fixtures and equipment, whether or not incorporated into improvements.

Promptly upon filing thereof, copies of any filings (including on Form 10-K, 20-F, 10-Q, 6-K or 8-K) or registration statements with, and reports to, the SEC or any analogous Governmental Authority in any relevant jurisdiction by the Borrower (and Holdings, if Holdings is a public filing company outside the United States) or any of the Subsidiaries (other than amendments to any registration statement (to the extent such registration statement, in the form it becomes effective, is delivered to the Lenders), exhibits to any registration statement and, if applicable, any registration statements on Form S-8) and copies of all financial statements, proxy statements, notices and reports that the Borrower (and Holdings, if Holdings is a public filing company outside the United States) or any of the Subsidiaries shall send to the holders of any publicly issued debt of Holdings, the Borrower and/or any of the Subsidiaries (including any Senior Notes (whether publicly issued or not)) in their capacity as such

(j) Orders and Pleadings. (i) as soon as reasonably practicable in advance of filing with the Bankruptcy Court or delivering to the Creditors' Committee or the U.S. Trustee, as the case may be, any Orders and all other proposed orders and pleadings related to the Loans and the Credit Documents, any Reorganization Plan and/or any disclosure statement related thereto and (ii) provide copies of all of the Debtors' proposed material substantive pleadings and orders in the Cases to the Administrative Agent and counsel to the Required Backstop Parties, in each case, with reasonably sufficient time for review and comment by such counsel no later than 3 calendar days prior to filing; provided that if the Borrower reasonably determines that, in light of the relevant circumstances at such time, providing a copy of a proposed pleading or order with sufficient time for review and comment would be impracticable, the Borrower shall instead be obligated to provide such copy as promptly as is reasonably practicable or (B) at the same time as such documents are provided by any of the Credit Parties to any statutory committee appointed in the Cases or the U.S. Trustee, all other notices, filings, motions, pleadings or other information concerning the financial condition of the Borrower or any of its Subsidiaries or other Indebtedness of the Credit Parties or any request for relief under Section 363, 365, 1113 or 1114 of the Bankruptcy Code or Section 9019 of the Federal Rules of Bankruptcy Procedure.

(k) FCC Reports. Promptly upon their becoming available, copies of any and all periodic or special reports filed by the Borrower or any of its Restricted Subsidiaries with the FCC or with any other Federal, state or local governmental authority, if such reports indicate any material adverse change in the business, operations, affairs or condition of the Borrower or any of its Restricted Subsidiaries, and copies of any and all notices and other communications from the FCC or from any other Federal, state or local governmental authority with respect to the Borrower, any of its Subsidiaries or any Satellite relating to any matter that could reasonably be expected to result in a Material Adverse Effect.

(l) Satellite Health Report. No less than annually with respect to each In-Orbit Satellite that has a net book value exceeding \$50,000,000, and upon the occurrence of an Event of Default at any time upon the reasonable request of the Administrative Agent, (i) with respect to any one or more In-Orbit Satellites operated by the Borrower or any of its Subsidiaries, a Satellite Health Report and (ii) with respect to any In-Orbit Satellite that is operated by any Person other than the Borrower or any of its Subsidiaries, any satellite health reports received by the Borrower from such Person, it being understood that to the extent that any such Satellite Health Report or other satellite health report contains any forward looking statements, estimates or projections, such statements, estimates or projections are subject to significant uncertainties and contingencies, many of which are beyond the Borrower's or any of its Subsidiaries' control, and no assurance can be given that such forward looking statements, estimates or projections will be realized, and provided that nothing in this clause (j) shall require the Borrower to deliver any information to the Administrative Agent or any Lender to the extent delivery of such information is restricted by applicable law or regulation.

9.2. Books, Records and Inspections. The Borrower will, and the Borrower will cause each of the Subsidiaries to, permit officers and designated representatives of the Administrative Agent or the Required Lenders to visit and inspect any of the properties or assets of the Borrower and any such Subsidiary in whomsoever's possession to the extent that it is within such party's control to permit such inspection, and to examine the books and records of the Borrower and any such Subsidiary and discuss the affairs, finances and accounts of the Borrower and of any such Subsidiary with, and be advised as to the same by, its and their officers and independent accountants, all at such reasonable times and intervals and to such reasonable extent as the Administrative Agent or the Required Lenders may desire; provided that so long as no Default or Event of Default is then in existence, the Borrower and any Credit Party shall have the right to participate in any discussions of the Agents or the Lenders with any independent accountants of the Borrower. Notwithstanding anything to the contrary herein, neither the Borrower nor any Restricted Subsidiary will be required under this Section 9.2 or otherwise to disclose or permit the inspection or discussion of any document, information or other matter to the extent that such action would violate any attorney-client privilege (as reasonably determined by counsel to the Credit Parties), law, rule or regulation, or any contractual obligation of confidentiality binding on the Credit Parties or their respective Affiliates (provided that (x) the Administrative Agent

shall be notified if any such information is being withheld and (y) the Credit Parties shall use commercially reasonable efforts to obtain a consent to such disclosure or action being withheld as a result of any contractual obligation of confidentiality (other than, for purposes of this clause (y), any such information being withheld as a result of attorney-client privilege).

9.3. Maintenance of Insurance.

(a) The Borrower will, and the Borrower will cause each of its Restricted Subsidiaries to, obtain, maintain and keep in full force and effect at all times (i) with respect to each Satellite procured by the Borrower or any of its Restricted Subsidiaries for which the risk of loss passes to the Borrower or such Restricted Subsidiary at or before launch, and for which launch insurance or commitments with respect thereto are not in place as of the Signing Date, launch insurance with respect to each such Satellite covering the launch of such Satellite and a period of time thereafter, but only to the extent, if at all, and on such terms (including coverage period, exclusions, limitations on coverage, co-insurance, deductibles and coverage amount) as is determined by the Borrower to be in the best interests of the Borrower, (ii) with respect to each Satellite it currently owns or for which it has risk of loss (or, if the entire Satellite is not owned, the portion it owns or for which it has risk of loss), other than any Excluded Satellite, In-Orbit Insurance and (iii) at all times subsequent to the coverage period of the launch insurance described in clause (i) above, if any, or if launch insurance is not procured, at all times subsequent to the initial completion of in-orbit testing, in each case with respect to each Satellite it then owns or for which it has risk of loss (or portion, as applicable), other than any Excluded Satellite, In-Orbit Insurance; provided, however, that at any time with respect to a Satellite that is not an Excluded Satellite, none of the Borrower or any of its Subsidiaries shall be required to maintain In-Orbit Insurance in excess of 33% of the aggregate net book value of all in-orbit Satellites (and portions it owns or for which it has risk of loss) insured (it being understood that any Satellite (or portion, as applicable) protected by In-Orbit Contingency Protection shall be deemed to be insured for a percentage of its net book value as set forth in the definition of "In-Orbit Contingency Protection"). In the event that the expiration and non-renewal of In-Orbit Insurance for such a Satellite (or portion, as applicable) resulting from a claim of loss under such policy causes a failure to comply with the proviso in the immediately preceding sentence, the Borrower and its Restricted Subsidiaries shall be deemed to be in compliance with such proviso for the 120 days immediately following such expiration or non-renewal; provided that the Borrower or any of its Restricted Subsidiaries, as the case may be, procures such In-Orbit Insurance or provides such In-Orbit Contingency Protection as necessary to comply with such proviso within such 120-day period. In the event of the unavailability of any In-Orbit Contingency Protection for any reason, the Borrower or any of its Restricted Subsidiaries, as the case may be, shall, subject to the first proviso above, within 120 days of such unavailability, be required to have in effect In-Orbit Insurance complying with clause (ii) or (iii) above, as applicable, with respect to all Satellites (or portions, as applicable), other than Excluded Satellites that the unavailable In-Orbit Contingency Protection was intended to protect and for so long as such In-Orbit Contingency Protection is unavailable; provided that the Borrower and its Restricted Subsidiaries shall be considered in compliance with this insurance covenant for the 120 days immediately following such unavailability.

(b) The Borrower will, and the Borrower will cause each of its Restricted Subsidiaries to, use its commercially reasonable efforts to at all times keep the respective property of the Borrower and its Restricted Subsidiaries (except (x) real or personal property leased or financed through third parties in accordance with this Agreement and (y) satellites) insured in favor of the Collateral Agent for the benefit of the Secured Parties, and all policies or certificates with respect to such insurance (and any general liability, umbrella liability coverage and workers' compensation insurance (to the extent permitted by law) maintained by, or on behalf of, the Borrower or any Restricted Subsidiary of the Borrower) (i) shall be endorsed to the Collateral Agent's reasonable satisfaction for the benefit of the Collateral Agent (including, without limitation, by naming the Collateral Agent as certificate holder, mortgagee and loss payee with respect to Real Estate, certificate holder and loss payee with respect to personal property, additional insured with respect to general liability and umbrella liability coverage and (to the extent permitted by law) certificate holder with respect to workers' compensation insurance), (ii) shall state that such insurance policies shall not be cancelled or materially changed without at least 30 days' prior written notice thereof by the respective insurer to the Collateral Agent; provided that with respect to any launch insurance or In-Orbit Insurance, such notice is available, and if available, on such terms as may be available, and (iii) shall, upon the request of the Collateral Agent, be deposited with the Collateral Agent for the benefit of the Secured Parties. Notwithstanding the foregoing or anything to the contrary contained elsewhere in this Agreement, the lender or collateral agent with respect to any ECA Financing may be named as additional insured, mortgagee or loss payee with respect to any insurance covering

ECA Collateral which insurance shall not be required to be in accordance with or subject to the terms of this Section 9.3.

(c) If any portion of any Mortgaged Property is at any time located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a Special Flood Hazard Area with respect to which flood insurance has been made available under the National Flood Insurance Act of 1968 (as now or hereafter in effect or successor act thereto), then the Borrower shall, or shall cause each Credit Party to (i) maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in an amount and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws and (ii) deliver to the Administrative Agent evidence of such compliance in form and substance reasonably acceptable to the Administrative Agent.

(d) If the Borrower or any of its Restricted Subsidiaries shall fail to maintain all insurance in accordance with this Section 9.3, or if the Borrower or any of its Restricted Subsidiaries shall fail to so name the Collateral Agent for the benefit of the Secured Parties as an additional insured, mortgagee or loss payee, as the case may be, or so deposit all certificates with respect thereto, the Collateral Agent shall have the right (but shall be under no obligation), upon reasonable prior notice to the Borrower of its intention to do so, to procure such insurance on such terms and against such risks as are required hereby, and the Borrower agrees to reimburse the Administrative Agent for any premium paid therefor.

9.4. Payment of Taxes. The Borrower will pay and discharge, and the Borrower will cause each of the Subsidiaries to pay and discharge, all material Taxes imposed upon it or upon its income or profits, or upon any properties belonging to it (in the case of any such Person that is a DIP Debtor under the Cases, solely to the extent arising after the Petition Date), prior to the date on which material penalties attach thereto, and all lawful material claims that, if unpaid, could reasonably be expected to become a material Lien upon any properties of the Borrower or any of the Restricted Subsidiaries; provided that none of the Borrower or any of the Subsidiaries shall be required to pay any such Tax or claim that is (a) being contested in good faith and by proper proceedings if it has maintained adequate reserves (in the good faith judgment of the management of the Borrower) with respect thereto in accordance with GAAP and the failure to pay could not reasonably be expected to result in a Material Adverse Effect or (b) with respect to any Person that is a DIP Debtor under the Cases, the nonpayment of such Tax is permitted or required by the Bankruptcy Code.

9.5. Consolidated Corporate Franchises. The Borrower will do, and the Borrower will cause each Restricted Subsidiary to do, or cause to be done, all things necessary to preserve and keep in full force and effect its existence, corporate rights and authority, except to the extent that the failure to do so could not reasonably be expected to have a Material Adverse Effect; provided, however, that the Borrower and its Subsidiaries may consummate any transaction permitted under Section 10.3, 10.4 or 10.5.

9.6. Compliance with Statutes, Regulations, etc. Except as otherwise excused by the Bankruptcy Code with respect to any DIP Debtor, the Borrower will, and the Borrower will cause each Subsidiary to, comply with all applicable laws, rules, regulations and orders applicable to it or its property (including all FCC Licenses and all other governmental approvals or authorizations required to launch and operate the Satellites and the TT&C Stations related thereto) and to transmit signals to and receive transmissions from the Satellites, and to maintain all such FCC Licenses and other governmental approvals or authorizations in full force and effect, in each case except where the failure to do so could not reasonably be expected to have a Material Adverse Effect (it being understood that any failure as it may relate to any FCC License for a Satellite that is yet to be launched shall not, in itself, be considered or deemed to result in a Material Adverse Effect).

9.7. ERISA. Promptly after the Borrower or any Subsidiary or any ERISA Affiliate knows or has reason to know of the occurrence of any of the following events that, individually or in the aggregate (including in the aggregate such events previously disclosed or exempt from disclosure hereunder, to the extent the liability therefor remains outstanding), would be reasonably likely to have a Material Adverse Effect, the Borrower will deliver to each of the Lenders a certificate of an Authorized Officer or any other senior officer of the Borrower setting forth details as to such occurrence and the action, if any, that the Borrower, such Subsidiary or such ERISA Affiliate is required or proposes to take, together with any notices (required, proposed or otherwise) given to or filed with or by the Borrower, such Subsidiary, such ERISA Affiliate, the PBGC, a Plan participant (other than notices relating to an

(d) Notwithstanding the foregoing, no Foreign Subsidiary shall be required to take any such actions pursuant to this Section 9.12 if, and to the extent that, based upon written advice of local counsel reasonably satisfactory to the Required Backstop Parties, the Borrower and/or such Foreign Subsidiary concludes that the taking of such actions would either (i) violate the laws of the jurisdiction in which such Foreign Subsidiary is organized or (ii) the cost, burden, difficulty or consequence of taking such actions (taking into account any adverse tax consequences to the Borrower and its Affiliates (including the imposition of withholding or other material taxes)), outweighs the benefits to be obtained by the Lenders therefrom; provided further, that if steps (for example, limiting the amount guaranteed) can be taken so that such violation, cost, burden, difficulty or consequence would not exist, then, if requested by the Required Backstop Parties, the respective Foreign Subsidiary shall enter into a modified Guarantee and/or modified Security Documents that provide, to the maximum extent permissible under applicable law, as many of the benefits as possible as are provided pursuant to the Guarantee and the Security Documents executed and delivered on the Closing Date and taking into account such cost, burden, difficulty or consequence.

The Credit Parties or any of their Subsidiaries, or any Person claiming by or through the Credit Parties or any of their Subsidiaries, shall obtain court authorization to commence, or shall commence, join in, assist or otherwise participate as an adverse party in any suit or other proceeding against any Agent or any Lender (in any of their respective capacities as such) relating to the DIP Facility, unless such suit or other proceeding is in connection with the enforcement of the Credit Documents against any Agent or any Lender; or

12.21. Reorganization Plan. A Reorganization Plan that is not an Acceptable Plan shall be confirmed in any of the Cases of the Debtors, or any of the Credit Parties or any of their Subsidiaries shall file, propose, support or fail to contest in good faith the filing or confirmation of any such plan or entry of any such order; or

12.22. Supporting Actions. Any Credit Party or any of their Subsidiaries shall file any pleading with the Bankruptcy Court in support of any matter set forth in Sections 12.13, 12.14, 12.15, 12.16, 12.17, 12.19 or 12.21 and such pleading is not withdrawn after five (5) Business Days' the notice from the Administrative Agent or the Required Lenders; or

12.23. Sale Motions. The Borrower shall file (or fail to oppose) any motion seeking an order authorizing the sale of all or substantially all of the assets of the Credit Parties, unless such sale would (and actually does) result in the Payment in Full of all Obligations and terminate all Commitments under this Agreement and the other Credit Documents upon consummation thereof; or

12.24. Acceptable Plan. The DIP Debtors shall fail to obtain entry of an order of the Bankruptcy Court confirming an Acceptable Plan by the date that is 180 days prior to the then Scheduled Maturity Date; provided that, to the extent the Borrower makes a valid election of the First Maturity Extension prior to the date that is 180 days prior to the Initial Scheduled Maturity Date, the then Scheduled Maturity Date shall be determined giving effect to the First Maturity Extension; provided further, that to the extent the Borrower makes a valid election of the Second Maturity Extension, an Event of Default shall occur upon the failure of the DIP Debtors to obtain entry of an order of the Bankruptcy Court confirming an Acceptable Plan by the date that is the Scheduled Maturity Date after giving effect to the First Maturity Extension; or

12.25. First Day Orders. The Debtors shall file any first day motion (including, without limitation, any motion related to cash management any critical vendor or supplier motions) or a related order is entered by the Bankruptcy Court that are not in form and substance reasonably satisfactory to the Required Lenders.

then, and in any such event, and at any time thereafter, if any Event of Default shall then be continuing, the Administrative Agent shall, upon the written request of the Required Lenders, by five (5) Business Days' prior written notice to the Borrower, take any or all of the following actions (subject to the terms of the Final DIP Order), without prejudice to the rights of the Administrative Agent or any Lender to enforce its claims against the Borrower, except as otherwise specifically provided for in this Agreement: (i) declare the Term Loan Commitment terminated, whereupon the Commitments, if any, of each Lender shall forthwith terminate immediately and any Fees theretofore accrued shall forthwith become due and payable without any other notice of any kind; (ii) declare the principal of and any accrued interest and fees in respect of all Loans and all Obligations owing hereunder and thereunder to be, whereupon the same shall become, forthwith due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and (iii) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Credit Documents or applicable Law.

SECTION 13. The Agent.

13.1. Appointment and Authority.

(a) Each of the Lenders hereby irrevocably appoints Credit Suisse AG, Cayman Islands Branch to act on its behalf as the Administrative Agent and Credit Suisse AG, Cayman Islands Branch to act on its behalf as the Collateral Agent hereunder and under the other Credit Documents and authorizes each of the Administrative Agent and the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and the Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section are solely for the benefit of the Administrative Agent, the Collateral Agent and the Lenders, and, except as provided under Section 13.6 and 13.11, neither the Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions.

(b) The Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 13.5 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent), shall be entitled to the benefits of all provisions of this Section 13 and Section 14 as if set forth in full herein with respect thereto.

13.2. Rights as a Lender. The Person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

13.3. Exculpatory Provisions. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, an Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that any Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that an Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 12 and 14.1) or (ii) in the absence of its own gross negligence or willful misconduct. Neither Agent shall be deemed to have knowledge of any Default unless and until written notice describing such Default is given to such Agent by the Borrower or a Lender.

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this

Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or 7 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

13.4. Reliance by Agent. The Agents shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, order, judgment or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agents also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, any Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Agents may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall be entitled to rely on, and shall not be liable for any action taken or not taken by it in accordance with, the advice of any such counsel, accountants or experts. In addition, the Lenders hereby authorize Akin Gump Strauss Hauer & Feld LLP ("Akin") to provide written directions (which may be made by electronic mail) to each Agent on behalf of the Required Lenders in regards to the Credit Documents and such other matters until such time as the Required Lenders or Akin advises the Agents in writing that Akin is no longer authorized to provide any written directions to the Agents on behalf of the Required Lenders. The giving of any such direction by Akin shall be deemed a reaffirmation by Akin that such authorization from the Required Lenders has been duly given. The Administrative Agent may rely on and act upon any such direction given by Akin and need not inquire as to the due authorization thereof. Notwithstanding the foregoing, to the extent any Agent determines that any direction from Akin requires any clarification or supplementation, such Agent shall promptly inform the Required Lenders or Akin, as applicable, of such determination and the Required Lenders or Akin, as applicable, shall promptly provide to such Agent one or more additional clarifying or supplementing directions. Until such time as such Agent receives such additional direction or directions from the Required Lenders or Akin, as applicable, such Agent shall be under no duty or obligation to take, or refrain from taking, any course of action for which such Agent has requested additional directions.

Anything herein to the contrary notwithstanding, whenever reference is made in this Agreement or any other Credit Document to any action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Agents or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Agents hereunder or thereunder, it is understood that in all cases the Agents shall be acting, giving, withholding, suffering, omitting, taking or otherwise undertaking and exercising the same (or shall not be undertaking and exercising the same) as directed by the Required Lenders or the Required Backstop Parties, as applicable, (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents) and shall not be required to take any action unless it has received such direction from the Required Lenders or the Required Backstop Parties, as applicable, (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents).

13.5. Delegation of Duties. The Administrative Agent and Collateral Agent may perform any and all of their respective duties and exercise their respective rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent or Collateral Agent. The Administrative Agent, Collateral Agent and any such sub-agent may perform any and all of their respective duties and exercise their respective rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 13 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and Collateral Agent.

13.6. Resignation of Administrative Agent. The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have

been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 13 and Section 14.5 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

13.7. Non-Reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

13.8. [Reserved].

13.9. Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans Outstanding and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.1 and 14.5) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.1 and 14.5.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

13.10. Indemnification. The Lenders agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to the date on which payment or termination occurred), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against any Agent in any way relating to or arising out of, the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by any Agent under or in connection with any of the foregoing (including the enforcement of this Section 13.10), provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final and non-appealable judgment of a court of competent jurisdiction. The agreements in this Section 13.10 shall survive the payment of the Loans and all other amounts payable hereunder.

13.11. Collateral and Guaranty Matters. Each of the Lenders irrevocably authorizes the Collateral Agent, at the request of the Borrower,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (i) upon termination of the aggregate Commitments of all the Lenders and Payment In Full of all Obligations, (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (iii) that constitutes "Excluded Property" (as such term is defined in the Security Agreement), (iv) that is excluded pursuant to Section 9.15(b), or (v) if approved, authorized or ratified in writing in accordance with Section 14.1;

(b) to release any Guarantor from its obligations under the Guarantee if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 10.1(A)(f).

Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guarantee pursuant to this Section 13.11. In each case as specified in this Section 13.11, the Collateral Agent will, at the Borrower's expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guarantee, in each case in accordance with the terms of the Credit Documents and this Section 13.11; provided that such release shall not in any manner discharge, affect or impair the Obligations or any Liens upon (or obligations of the Borrower or any of its Subsidiaries in respect of) all interests retained by Borrower or any of its Subsidiaries, including, without limitation, the proceeds of the sale, all of which shall continue to constitute part of the Collateral. In the event of any foreclosure or similar enforcement action with respect to any of the Collateral, the Collateral Agent shall be authorized to deduct all of the costs and expenses reasonably incurred by the Collateral Agent from the proceeds of any such sale, transfer or foreclosure.

13.12. [Reserved].

13.13. [Reserved].

13.14. Withholding Taxes. To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 5.4, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 15 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 13.14. The agreements in this Section 13.14 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

13.15. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans or the Commitments;

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement;

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement; or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, such Lender and Borrower, provided that Borrower shall not unreasonably withhold its consent.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with subclause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and

not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

SECTION 14. Miscellaneous.

14.1. Amendments and Waivers.

Neither this Agreement nor any other Credit Document (other than the Orders), nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 14.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent may, from time to time, (a) enter into with the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of the Credit Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall directly (i) forgive or reduce any portion of any Loan or extend the final scheduled maturity date of any Loan or reduce the stated rate, or forgive any portion, or extend the date for the payment, of any interest or fee payable hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or increase the aggregate amount of the Commitments of any Lender, or amend or modify any provisions of Section 5.3(a) (with respect to the ratable allocation of any payments only) and 14.8(a), in each case without the written consent of each Lender directly and adversely affected thereby, or (ii) amend, modify or waive any provision of this Section 14.1 or reduce the percentages specified in the definitions of the terms "Required Lenders," "Required Backstop Parties," or consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3), in each case without the written consent of each Lender directly and adversely affected thereby, or (iii) amend, modify or waive any provision affecting the rights or duties of the Administrative Agent or Collateral Agent, as applicable, under this Agreement or any other Credit Document without the written consent of the then current Administrative Agent or Collateral Agent, as applicable, or (iv) amend, modify or waive any provision of this Agreement in order to permit the incurrence of any financing pursuant to Section 364 of the Bankruptcy Code (other than the DIP Facility in the maximum amounts permitted after giving effect to the Final DIP Order) that would be secured by the Collateral (or any portion thereof) on a pari passu or senior basis with the Obligations or that would benefit from any Superpriority Claim in the Cases that is pari passu or senior to the Superpriority Claims with respect to the Obligations as provided in the Orders, without the written consent of each Lender, or (v) [reserved], or (vi) change any Term Loan Commitment to a revolving credit commitment, in each case without the prior written consent of each Lender directly and adversely affected thereby, or (vii) release all or substantially all of the Guarantors under the Guarantee (except as expressly permitted by the Guarantee) or release all or substantially all of the Collateral under the Security Documents, in each case without the prior written consent of each Lender, or (viii) amend Section 2.9 so as to permit Interest Period intervals greater than six months without regard to availability to Lenders, without the written consent of each Lender directly and adversely affected thereby; provided that, notwithstanding anything to the contrary herein, with respect to the First Maturity Extension and the Second Maturity Extension, the applicable conditions thereto other than payment of the First Extension Fee and the Second Extension Fee may be amended, supplemented or modified or waived with the written consent of the Required Lenders. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon the Borrower, such Lenders, the Agents and all future holders of the affected Loans. In the case of any waiver, the Borrower, the Lenders and the Agents shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders

other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

In addition, notwithstanding the foregoing, (i) the Administrative Agent, the Collateral Agent and the relevant Credit Parties may amend, supplement or modify the Security Documents to make such ministerial changes as may be required to effect the provisions of Section 10.2(a) without the consent of any Lender so long as such amendments do not adversely affect the Lenders and (ii) the Administrative Agent, the Agent and the relevant Credit Parties may amend, supplement or modify this Agreement or any of the Security Documents and any other document delivered in connection therewith at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local law or advice of local counsel, (ii) to cure ambiguities, omissions, mistakes or defects, (iii) to cause such any such Security Document or other document to be consistent with this Agreement and the other Credit Documents or (iv) add syndication or documentation agents and make customary changes and references related thereto.

All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

14.5. Payment of Expenses and Taxes. Each Credit Party agrees (a) to pay or reimburse the Agents, the Backstop Parties and the Lenders for all their reasonable out-of-pocket costs and expenses incurred in connection with the development, preparation, negotiation and execution of, and any amendment, supplement or modification to, this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions (including the Commitment Reallocation) contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of counsel to the Agents and the Backstop Parties, (b) to pay or reimburse each Backstop Party, Lender and Agent for all its reasonable and documented costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of counsel to each Lender and of counsel to the Agents, (c) to pay, indemnify, and hold harmless each Backstop Party, Lender and Agent from, any and all recording and filing fees and (d) to pay, indemnify, and hold harmless each Lender and Agent and their respective directors, officers, employees, trustees, investment advisors and agents from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, including reasonable and documented fees, disbursements and other charges of counsel, with respect to the execution, delivery, enforcement (including this Section 14.5), performance and administration of this Agreement, the other Credit Documents and any such other documents, including, without limitation, any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law or to any actual or alleged presence, release or threatened release of Hazardous Materials involving or attributable to the operations of the Borrower, any of its Subsidiaries or any of the Real Estate (all the foregoing in this clause (d), collectively, the “indemnified liabilities”); provided that such Credit Party shall have no obligation hereunder to the Administrative Agent or any Lender nor any of their respective directors, officers, employees and agents with respect to indemnified liabilities to the extent attributable to (i) the gross negligence or willful misconduct of the party to be indemnified as determined in a final and non-appealable judgment by a court of competent jurisdiction or (ii) disputes among the Administrative Agent, the Lenders and/or their transferees. The agreements in this Section 14.5 shall survive repayment of the Loans and all other amounts payable hereunder.

14.6. Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 14.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 14.6) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraphs (b)(ii) and (b)(iii) below, any Lender may assign to one or more assignees (other than any Disqualified Lender) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not be unreasonably withheld or delayed; it being understood that, without limitation, the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority) of:

(A) the Borrower (which consent shall not be unreasonably withheld or delayed); provided that no consent of the Borrower shall be required for an assignment of Term Loans to a Lender, an Affiliate of a Lender (unless increased costs would result therefrom except if an Event of Default has occurred and is continuing), or an Approved Fund; provided, however, if an Event of Default has occurred and is continuing, an assignment pursuant to Section 14.6(b)(i) to any assignee shall be permitted; provided, further, that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; and

(B) the Administrative Agent (which consent shall not be unreasonably withheld or delayed); provided that no consent of the Administrative Agent shall be required for an assignment of (1) any Commitment to an assignee that is a Lender, an Affiliate of a Lender or Approved Fund of a Lender immediately prior to giving effect to such assignment; or (2) any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund of a Lender immediately prior to giving effect to such assignment.

Notwithstanding the foregoing, any Backstop Party may assign its Term Loan Commitment and/or Term Loans to one or more Other Prepetition Secured Parties pursuant to the Commitment Re-allocation, in each case, without the consent of the Borrower or the Administrative Agent.

(ii) No Lender may assign any portion of its rights and obligations under this Agreement to the Sponsors, Holdings or any of their respective Affiliates;

(iii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 (or, in the case of a Term Loan Commitment or Term Loan, \$1,000,000), and increments of \$1,000,000 in excess thereof, unless each of the Borrower and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing; provided, further, that contemporaneous assignments to a single assignee made by Affiliates of Lenders and related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with (other than any assignment in connection with the Commitment Re-allocation) a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent in the case of any Assignment); provided that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Approved Funds; provided further that any such Assignment and Assumption shall include a representation by the assignee that the assignee is not a Disqualified Lender or an Affiliate of a Disqualified Lender; and

(D) the assignee, if it shall not already be a Lender hereunder, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "Administrative Questionnaire").

For the purpose of this Section 14.6(b), the term "Approved Fund" shall mean any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered, advised or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers, advises or manages a Lender.

(iv) Subject to acceptance and recording thereof pursuant to paragraph (b)(vi) of this Section 14.6, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance but subject to paragraph (b)(viii) of this Section 14.6, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 3.5, 5.4 and 14.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 14.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 14.6.

(v) The Administrative Agent, acting for this purpose as an agent of the Borrower shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). Further, the Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(vi) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 14.6 and any written consent to such assignment required by paragraph (b) of this Section 14.6, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vii) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable *pro rata* share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full *pro rata* share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(viii) An assignee Lender shall not be entitled to receive any greater payment under Section 2.10 or 5.4 in respect of Luxembourg Taxes than the applicable assignor Lender would have been entitled to receive with respect to the Loan sold to the assignee Lender, unless either (1) the assignment of such Loan to such assignee Lender is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld) or (2) such greater payment under Section 2.10 or 5.4 arises solely as the result of a Change in Law following the date on which the assignee becomes a Lender hereunder.

(c) (1) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (other than a Disqualified Lender) (each, a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 14.1 that affects such Participant. Subject to paragraph (c)(ii) of this Section 14.6, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 to the same extent as if it were a Lender (subject to the requirements of those Sections) and had acquired its interest by assignment pursuant to paragraph (b) of this Section 14.6. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 14.8(b) as though it were a Lender; provided such Participant agrees to be subject to Section 14.8(a) as though it were a Lender.

(i) A Participant shall not be entitled to receive any greater payment under Section 2.10 or 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent (which consent shall not be unreasonably withheld).

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 14.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment, the Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made its initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower’s own expense, a promissory note, substantially in the form of Exhibit G, as the case may be, evidencing the Term Loans owing to such Lender.

(e) Subject to Section 14.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a “Transferee”) and any prospective Transferee any and all financial information in such Lender’s possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or which has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender’s credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(f) Each of the Credit Parties which are incorporated under the laws of the Grand Duchy of Luxembourg expressly accepts and confirms for the purposes of articles 1278 to 1281 of the Luxembourg civil code that, notwithstanding any assignment, transfer and/or novation made pursuant to this Agreement, the guarantee given by it guarantees all Obligations (including without limitation, all obligations with respect to all rights and/or obligations so assigned, transferred or novated) and that any security interest created under any Security Document to which it is a party shall be preserved for the benefit of any successor and assign of the Lenders, Administrative Agent and/or Secured Parties.

(g) Notwithstanding the foregoing, no assignment may be made or participation sold to a Disqualified Lender without the prior written consent of the Borrower. Notwithstanding anything contained in this Agreement or any other Credit Document to the contrary, if any Lender was a Disqualified Lender at the time of the assignment of any Loans or Commitments to such Lender, following written notice from the Borrower to such Lender and the Administrative Agent: (1) such Lender shall promptly assign all Loans and Commitments held by such Lender to an eligible assignee; provided that (A) the Administrative Agent shall not have any obligation to the Borrower, such Lender or any other Person to find such a replacement Lender, (B) the Borrower shall not have any obligation to such Disqualified Lender or any other Person to find such a replacement Lender or accept or consent to any such assignment

to itself or any other Person subject to the Borrower's consent and (C) the assignment of such Loans and/or Commitments, as the case may be, shall be at par plus accrued and unpaid interest and fees; (2) such Lender shall not have any voting or approval rights under the Credit Documents and shall be excluded in determining whether all Lenders, all affected Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to this Section 14.6); provided that (x) the Commitment of any Disqualified Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Disqualified Lender adversely and in a manner that is disproportionate to other affected Lenders shall require the consent of such Disqualified Lender; and (3) no Disqualified Lender is entitled to receive information provided solely to Lenders by the Administrative Agent or any Lender or will be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices or Borrowings, notices or prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Section 2 hereof.

14.7. Replacements of Lenders Under Certain Circumstances.

(a) The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.10, 2.11, 3.5 or 5.4, (b) is affected in the manner described in Section 2.10(a)(ii) and as a result thereof any of the actions described in such Section is required to be taken or (c) becomes a Defaulting Lender, with a replacement bank or other financial institution; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts (other than any disputed amounts), pursuant to Section 2.10, 2.11, 2.12, 3.5 or 5.4, as the case may be) owing to such replaced Lender prior to the date of replacement, (iv) the replacement bank or institution, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (v) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 14.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein) and (vi) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 14.1 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then provided no Event of Default other than an Event of Default relating to the proposed amendment, waiver, discharge or termination at issue then exists, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent; provided that: (a) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment, the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 14.6.

14.8. Adjustments; Set-off.

(a) If any Lender (a "benefited Lender") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 12.5, or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such

excess payment or benefits is thereafter recovered from such benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final) (other than escrow, payroll, employee health and benefits, pension, fiduciary, 401(K), petty cash, trust and tax accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application. In the event that any Defaulting Lender shall exercise any such right of set-off, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 3.8 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of set-off. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of set-off) that such Lender or its Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such set-off and application; provided that the failure to give such notice shall not affect the validity of such set-off and application.

14.9. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

14.10. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

14.11. Integration; Order Controls. This Agreement (together with the exhibits, annexes and schedules hereto) and the other Credit Documents represent the entire agreement of the Borrower, the Administrative Agent and the Lenders with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral or written, and there are no promises, undertakings, representations or warranties by the Administrative Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents. To the extent that any specific provision hereof is inconsistent with the Final DIP Order, the Final DIP Order shall control.

14.12. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE.

14.13. Submission to Jurisdiction; Consent to Service; Waivers.

(a) Each Credit Party hereby irrevocably and unconditionally:

(i) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, the courts of the State of New York, the

courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(ii) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower at its addresses set forth in Section 14.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(iv) agrees that nothing herein shall affect the right of the Agents or Lenders to effect service of process in any other manner permitted by law or shall limit the right of the Agents or Lenders to sue or enforce a judgment in any other jurisdiction; and

(v) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding against Agents or Lenders and their respective Affiliates, directors, employees, attorneys, agents or sub-agents, on any theory or liability for any special, indirect, exemplary, punitive or consequential damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Credit Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and Borrower hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(b) By the execution and delivery of this Agreement, each Credit Party hereby irrevocably designates, appoints and empowers Intelsat US LLC (and Intelsat US LLC hereby irrevocably accepts such appointment) as its authorized agent upon which process may be served in any suit or proceeding arising out of or relating to this Agreement or the Credit Documents that may be instituted in any federal or state court in the State of New York.

(c) Each Credit Party, to the extent that it has or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from setoff or any legal process (whether service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) with respect to itself or any of its property or assets, hereby waives and agrees not to plead or claim such immunity in respect of its obligations under this Agreement and the other Credit Documents (it being understood that the waivers contained in this paragraph (c) shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976, as amended, and are intended to be irrevocable and not subject to withdrawal for the purposes of such Act).

14.14. Acknowledgments. Each Credit Party hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents;

(b) neither the Administrative Agent nor any Lender has any fiduciary relationship with or duty to any Credit Party arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between Administrative Agent and Lenders, on one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among any Credit Party and the Lenders.

14.15. WAIVERS OF JURY TRIAL. THE BORROWER, THE ADMINISTRATIVE AGENT AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

14.16. Confidentiality. Each of the Agents and the Lenders agree to maintain the confidentiality of the Information (as defined below), except that Confidential Information may be disclosed (a) to its Affiliates and to its and their respective Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Confidential Information and instructed to keep such Confidential Information confidential) or any of their respective auditors; (b) to the extent required or requested by any regulatory authority or bank examiner purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as those of this Section 14.16, (or more restrictive) to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder; (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the DIP Facility or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the DIP Facility; (h) with the consent of the Borrower; or (i) to the extent such Confidential Information (x) becomes publicly available other than as a result of a breach of this Section 14.16, or (y) becomes available to any Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower who did not acquire such information as a result of a breach of this Section 14.16. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents or any Lender in connection with the administration of this Agreement, the other Credit Documents, and the Commitments. For purposes of this Section 14.16, "Confidential Information" means all information received from the Borrower or any of its Subsidiaries relating to the Borrower or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to any Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any of its Subsidiaries; provided that, in the case of information received from the Borrower or any of its Subsidiaries after the Closing Date, such information is clearly identified at the time of delivery as confidential.

14.17. Direct Website Communications.

(a) Delivery. (i) The Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (B) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (C) provides notice of any default or event of default under this Agreement or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "Communications"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent to an email address to be provided by the Administrative Agent. Nothing in this Section 14.17 shall prejudice the right of the Borrower, the Administrative Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

(ii) Each Lender and each Agent agrees that the receipt of the Communications by such Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to such Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of

the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(b) Posting. The Borrower further agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on SyndTrak or a substantially similar electronic transmission system (the "Platform"), so long as the access to such Platform is limited (i) to the Agents and the Lenders and (ii) remains subject the confidentiality requirements set forth in Section 14.16.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM.

14.18. USA PATRIOT Act. Each Lender that is subject to the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act") and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Credit Party that pursuant to the requirements of the Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Credit Party in accordance with the Patriot Act and the Beneficial Ownership Regulation.

14.19. Conversion of Currencies.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of the Borrower in respect of any sum due to any party hereto or any holder of the obligations owing hereunder (the "Applicable Creditor") shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than the currency in which such sum is stated to be due hereunder (the "Agreement Currency"), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss. The obligations of the Borrower contained in this Section 14.19 shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

14.20. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 15. Guarantee.

15.1. Guarantee.

(a) In order to induce the Agents and the Lenders to enter into this Agreement and to extend credit hereunder, and in recognition of the substantial direct and indirect benefits to be received by each Guarantor from the proceeds of the Loans, which will be used in part to enable the Borrower to make valuable transfers to the Guarantors in connection with the operation of their respective businesses, each Guarantor, which is a Subsidiary of the Borrower, hereby agrees with the Secured Parties as follows: each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably guarantees as primary obligor and not merely as surety, to the Administrative Agent, for the benefit of the Secured Parties, the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of the Obligations. If any or all of the Obligations of the Credit Parties to the Secured Parties becomes due and payable hereunder, each Credit Party irrevocably and unconditionally promises to pay such indebtedness to the Secured Parties, or order, on demand, together with any and all expenses which may be incurred by the Secured Parties in collecting any of the Obligations. This Guarantee is a guaranty of payment and not of collection. If claim is ever made upon any Secured Party for repayment or recovery of any amount or amounts received in payment or on account of any of the Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected in good faith by such payee with any such claimant (including any Credit Party), then and in such event each Credit Party agrees that any such judgment, decree, order, settlement or compromise shall be binding upon it, notwithstanding any revocation of this Guarantee or other instrument evidencing any liability of the Credit Parties, and each Credit Party shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee. For the avoidance of doubt, each Credit Party expressly accepts and confirms for the purposes of articles 1278 to 1281 of the Luxembourg civil code that, notwithstanding any assignment, transfer and/or novation made pursuant to this Agreement, the guarantee given by it guarantees all Obligations (including without limitation, all obligations with respect to all rights and/or obligations so assigned, transferred or novated) and that any security interest created under any Security Document to which it is a party shall be preserved for the benefit of any new Secured Party.

(b) Each Credit Party further agrees to pay any and all reasonable, document and invoiced out-of-pocket expenses (including all reasonable fees and disbursements of counsel) that may be paid or incurred by the Administrative Agent or any other Secured Party in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, such Guarantor under this Guarantee.

(c) Each Guarantor agrees that the Obligations may, subject to Section 15.12 (Luxembourg *Guarantee Limitations*) and Section 15.13 (UK *Guarantee Limitations*), at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing this Guarantee or affecting the rights and remedies of the Administrative Agent or any other Secured Party hereunder.

(d) No payment or payments made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by the Administrative Agent or any other Secured Party from the Borrower, any

of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder, which shall, notwithstanding any such payment or payments other than payments made by such Guarantor in respect of the Obligations or payments received or collected from such Guarantor in respect of the Obligations, remain liable for the Obligations up to the maximum liability of such Guarantor hereunder until the Obligations are paid in full, the Commitments are terminated.

(e) Each Guarantor agrees that whenever, at any time, or from time to time, it shall make any payment to the Administrative Agent or any other Secured Party on account of its liability hereunder, it will notify the Administrative Agent in writing that such payment is made under this Guarantee for such purpose.

15.2. Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder who has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 15.4 hereof. The provisions of this Section 15.2 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the other Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the other Secured Parties for the full amount guaranteed by such Guarantor hereunder.

15.3. Right of Set-off. In addition to any rights and remedies of the Secured Parties provided by law, each Guarantor hereby irrevocably authorizes each Secured Party at any time and from time to time following the occurrence and during the continuance of an Event of Default without notice to such Guarantor or any other Guarantor, any such notice being expressly waived by each Guarantor, upon any amount becoming due and payable by such Guarantor hereunder (whether at stated maturity, by acceleration or otherwise) to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party to or for the credit or the account of such Guarantor. Each Secured Party shall notify such Guarantor promptly of any such set-off and the appropriation and application made by such Secured Party, provided that the failure to give such notice shall not affect the validity of such set-off and application.

15.4. No Subrogation. Notwithstanding any payment or payments made by any of the Guarantors hereunder or any set-off or appropriation and application of funds of any of the Guarantors by the Administrative Agent or any other Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights of the Administrative Agent or any other Secured Party against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Administrative Agent or any other Secured Party for the payment of the Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Administrative Agent and the other Secured Parties by the Credit Parties on account of the Obligations are Paid In Full and the Commitments are terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all the Obligations shall not have been Paid In Full, such amount shall be held by such Guarantor in trust for the Administrative Agent and the other Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Administrative Agent, if required), to be applied against the Obligations, whether due or to become due, in such order as the Administrative Agent may determine.

15.5. Amendments, etc. with Respect to the Obligations; Waiver of Rights. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, (a) any demand for payment of any of the Obligations made by the Administrative Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Administrative Agent or any other Secured Party, (c) the Credit Agreement and any other documents executed and delivered in connection

therewith, may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders, as the case may be) may deem advisable from time to time, and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent, the Administrative Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Administrative Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Guarantee or any property subject thereto. When making any demand hereunder against any Guarantor, the Administrative Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on any Credit Party or any Guarantor or guarantor, and any failure by the Administrative Agent or any other Secured Party to make any such demand or to collect any payments from the Borrower or any Guarantor or guarantor or any release of the Borrower or any Guarantor or guarantor shall not relieve any Guarantor in respect of which a demand or collection is not made or any Guarantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Administrative Agent or any other Secured Party against any Guarantor. For the purposes hereof, "demand" shall include the commencement and continuance of any legal proceedings

15.6. Guarantee Absolute and Unconditional.

(a) Each Guarantor waives any and all notice of the creation, contraction, incurrence, renewal, extension, amendment, waiver or accrual of any of the Obligations, and notice of or proof of reliance by the Administrative Agent or any other Secured Party upon this Guarantee or acceptance of this Guarantee. The Obligations or any of them shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended, waived or accrued, in reliance upon this Guarantee, and all dealings between any of the Credit Parties, on the one hand, and the Administrative Agent and the other Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guarantee. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon any of the Credit Parties with respect to the Obligations. Each Guarantor understands and agrees that this Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity, regularity or enforceability of the Credit Agreement, any other Credit Document, any of the Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Collateral Agent, the Administrative Agent or any other Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) that may at any time be available to or be asserted by any of the Credit Parties against the Administrative Agent or any other Secured Party or (c) any other circumstance whatsoever (with or without notice to or knowledge of such Credit Party) that constitutes, or might be construed to constitute, an equitable or legal discharge of any of the Credit Parties for the Obligations, or of such Guarantor under this Guarantee, in bankruptcy or in any other instance. When pursuing its rights and remedies hereunder against any Guarantor, the Administrative Agent and any other Secured Party may, but shall be under no obligation to, pursue such rights and remedies as it may have against any of the Credit Parties or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent or any other Secured Party to pursue such other rights or remedies or to collect any payments from any of the Credit Parties or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of any of the Credit Parties or any such other Person or any such collateral security, guarantee or right of offset, shall not relieve such Guarantor of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent and the other Secured Parties against such Guarantor.

(b) This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Guarantor and the successors and assigns thereof and shall inure to the benefit of the Administrative Agent and the other Secured Parties and their respective successors, indorsees, transferees and assigns until all the Obligations (other than any contingent indemnity obligations not then due) shall have been satisfied by payment in full, the Commitments thereunder shall be terminated and no Letters of Credit thereunder shall be outstanding, notwithstanding that from time to time during the term of the Credit Agreement the Credit Parties may be free from any Obligations.

. This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any other Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or

reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

15.8. Subordination. Any of the indebtedness of the Credit Parties now or hereafter owing to any other Credit Party is hereby subordinated to the Obligations of the Credit Parties owing to the Secured Parties; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of such Credit Parties to another Credit Party shall be collected, enforced and received by such other Credit Party for the benefit of the Secured Parties and be paid over to the Administrative Agent on behalf of the Secured Parties on account of the Obligations of such Credit Parties to the Secured Parties, but without affecting or impairing in any manner the liability of any Credit Party under the other provisions of this Guarantee. Prior to the transfer by any Credit Party of any note or negotiable instrument evidencing any of the indebtedness of such Credit Parties to any other Credit Party, such Credit Party shall mark such note or negotiable instrument with a legend that the same is subject to this subordination. Without limiting the generality of the foregoing, each Credit Party hereby agrees with the Secured Parties that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Guarantee (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Obligations have been irrevocably paid in full in cash.

15.9. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Administrative Agent without set-off or counterclaim in Dollars at the Administrative Agent's Office.

. Each Subsidiary of the Borrower that is required to become a party to this Guarantee pursuant to Section 9.11 shall become a Guarantor, with the same force and effect as if originally named as a Guarantor herein, for all purposes of this Guarantee upon execution and delivery by such Subsidiary of a Joinder Agreement. The execution and delivery of any instrument adding an additional Guarantor as a party to this Guarantee shall not require the consent of any other Guarantor hereunder. The rights and obligations of each Guarantor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor as a party to this Guarantee.

15.11. [Reserved].

15.12. Luxembourg Guarantee Limitation. Notwithstanding any provision to the contrary in this Agreement, the liability of any Guarantor incorporated under the laws of Luxembourg (a "Luxembourg Guarantor") under this Section 15 for the obligations of any Guarantor in which the relevant Guarantor has no direct or indirect equity interest, shall be limited at any time to a maximum amount not exceeding ninety-five per cent. (95%) of the sum of such Guarantor's "*capitaux propres*" (as referred to in Annex I to the Grand-Ducal Regulation dated 18 December 2015 setting out the form and content of the presentation of the balance sheet and profit and loss account, enforcing the Law of 19 December 2002 on the register of commerce and companies and the accounting and annual accounts of undertakings, as amended) (the "Own Funds") and such Guarantor's debt which is subordinated in right of payment (whether generally or specifically) to any claim of any Credit Party under any of the Credit Documents (the "Lux Subordinated Debt"), as determined on the basis of the then latest available annual accounts of such Guarantor duly established in accordance with applicable accounting rules, as at the date on which the guarantee under this Section 15 is called.

Where, for the purpose of the above determinations, (i) no duly established annual accounts are available for the relevant reference period (which will include a situation where, in respect of the determinations to be made above, no final annual accounts have been established in due time in respect of the then most recently ended financial year) or (ii) the relevant annual accounts do not adequately reflect the status of the Lux Subordinated Debt or Own Funds as envisaged above, an independent auditor (*réviseur d'entreprises agréé*) of the Luxembourg Guarantor or, if no such auditor has been appointed, an independent reputable investment bank (acting in good faith) shall make the determination of the relevant Own Funds and Lux Subordinated Debt amounts based on such available elements and facts as deemed relevant by it at such time.

The above limitation shall not apply to:

- (i) any amounts borrowed under any Credit Document and in each case made available, in any form whatsoever, to such Guarantor or any entity in which it has a direct or indirect equity interest; and
- (ii) for the avoidance of doubt, any Security Documents.

The obligations of each Luxembourg Guarantor under this Section 15 shall not extend to the guaranteeing or securing of any amount which would breach the prohibition on financial assistance as set out in the Luxembourg Law dated 10 August 1915 on commercial companies, as amended.

Notwithstanding anything herein to the contrary, the obligations and liabilities of any Luxembourg Guarantor under this Agreement shall not include any obligation or liability to the extent that, if so included, would constitute an abuse of assets as defined by article 1500-11 of the Luxembourg law dated 10 August 1915 on commercial companies, as amended.

15.13. UK Guarantee Limitations.

(A) Without limiting any specific exemptions set out in this Agreement, no UK Guarantor's obligations and liabilities under this Agreement and under any other guarantee or indemnity provision in a Credit Document (the "UK Guarantee Obligations") will extend to include any obligation or liability and no Collateral granted by a UK Guarantor will secure any UK Guarantee Obligation, if to the extent doing so would be unlawful financial assistance (notwithstanding any applicable exemptions and/or undertaking of any applicable prescribed whitewash or similar financial assistance procedures) in respect of the acquisition of shares in (a) itself (b) any other entity, company or corporation in respect of which it is a Subsidiary or (c) a member of the Group under the laws of its jurisdiction of incorporation.

(B) If, notwithstanding paragraph (A) of this Section 15.13, the giving of the guarantee in respect of the UK Guarantee Obligations or Collateral would be unlawful financial assistance, then, to the extent necessary to give effect to paragraph (A) above (and only to the extent legally effective in the relevant jurisdiction), the obligations of the UK Guarantor under the Credit Documents will be deemed to have been split into two tranches; **Tranche 1** comprising those obligations which can be secured by the UK Guarantee Obligations or Collateral without breaching or contravening relevant financial assistance laws and **Tranche 2** comprising the remainder of the obligations under the Credit Documents. The Tranche 2 obligations will be excluded from the relevant UK Guarantee Obligations.

IN WITNESS WHEREOF, each of the parties hereto has caused a counterpart of this Agreement to be duly executed and delivered as of the date first above written.
